Estimated Annual Income ("EAI") and Estimated Yield ("EY") calculations are for informational purposes only The actual income and yield might be lower or higher than the estimated amounts EY is based upon EAI and the current price of the security and will fluctuate For certain types of securities, the calculations could include a return of principal or capital gains in which case EAI and EY would be overstated EY and EAI are not promptly updated to reflect when an issuer has missed a regular payment or announced changes to future payments, in which case EAI and EY will continue to display at a prior rate.
