Fax: 605-472-2069
ID # 27-1072431

The Spink Co. Public Transit program is a non-profit organization based out of the Senior Citizen's building in Redfield. We operate 4 vehicles 5 days a week, picking up people to their destinations. We are a Local/State and Federal funded program. All of our funding is based on our operation, we receive funding through the State of SD which they receive Federal monies to help us operate our program. We also receive donations from our rider ship, which is the local money from which we use for operating.

We have not received any money from any contributors since this program has been in existence; we operate solely from the state/federal and local monies, which we receive monthly. We submit a voucher for payment and the state reimburses us for payment. We own a building that houses the vehicles and that is the only property that we own. We have drivers that are paid a salary from the budget that operate the buses. If there is more information needed please call the above number.
