### Expenditure Responsibility Grants

Prospective grantees are asked by the Foundation to furnish information concerning their status as exempt organizations under the Internal Revenue Code.

Prospective grantees with respect to whom the Foundation is required to exercise "expenditure responsibility" are informed by letter, before payment is made on a grant, of the responsibilities imposed upon the Foundation and its grantees by the Internal Revenue Code of 1986, as amended. Each grantee must agree in writing to those terms and conditions, including the obligation to provide financial and substantive reports on how Foundation grant funds are expended. The reports that are received are reviewed for general accuracy, sufficiency and compliance with the terms and conditions of the grant. Additional information is requested from grantees in instances where reports are considered inadequate. Where the Foundation has not received financial or substantive reports from a grantee when expected, Foundation principals follow up in several ways, including reminders that are sent at regular intervals after reports are expected and personal follow-up through telephone, mail and e-mail.

The following is a list of grants which the Foundation believes have an "expenditure responsibility" obligation.
