Section B: This is an amended return.

The reason for amending our original return is due to submitting our previous return before we obtained our audited financial statements. Our original return therefore did not have the adjustments to revenue and net asset accounts that are necessary to demonstrate compliance with SFAS 117. Our amended return reflects that. We had previously reported deferred revenue' liabilities and matching deductions from revenue. We now are reporting our previously deferred revenue as Temporarily Restricted Net Assets, and adjusting revenue accordingly.

Part I line 20: explanation of change in net assets from previous year:

An adjustment was made to our net assets carried forward from previous year to conform with SFAS 117 as explained above. The detailed breakout of the change is reflected in Part IV Column A (Balance Sheets-beginning of year) lines 62 & 68. We re-classified the \$49453 that had been reported on line 62 as deferred revenue to line 68-Temporarily Restricted Net Assets.
