Applicant Guidelines

STEP-BY-STEP PROPOSAL PROCESS

Step One: Fit with Funding Priorities

Please read the [Funding Priorities](#) carefully to determine if your organization's programs or projects meet our funding criteria. Organizations also may complete the [Eligibility Quiz](#) to help determine their suitability for a grant from The Morris & Gwendolyn Cafritz Foundation.

Step Two: Submitting the Proposal

To be considered for funding, an organization must submit a complete proposal, not a Letter of Inquiry (LOI). LOI's are not required.

Organizations may submit a proposal for only one deadline within a 12-month period. For example, if a proposal is submitted for the November 1 deadline, the organization must wait until the following November 1 deadline to submit another proposal.

If your organization meets our funding criteria, you are eligible to submit a proposal. The Foundation requires that all organizations use the [Washington Grantmakers' Common Grant Application](#). If you have difficulty downloading the application, please call our office at (202) 223-3100 to have a copy emailed, faxed or mailed to you.

Proposal deadlines are March 1, July 1 and November 1, and proposals must be received in the office no later than 4.00 p.m. on these dates. Postmark dates do not apply. Please note, while they may be submitted anytime, proposals received between deadlines will be held for consideration in the following grant cycle.

Please note: Should the deadline date fall on a Saturday or Sunday, proposals will be accepted the following Monday.

Submit one, unbound copy of your proposal and attachments to:

Ms. Rose Ann Cleveland, Executive Director
The Morris & Gwendolyn Cafritz Foundation
1825 K Street, NW, Suite 1400
Washington, DC 20006

No faxes or e-mails will be accepted.

Step Three: The Review and Funding Decision

Organizations will receive written notification verifying receipt of their proposal. Each proposal is given careful consideration. If necessary, Foundation staff will schedule meetings with prospective applicants prior to making recommendations to the Board. Not all grant requests are considered at the Board meeting following their submission; some requests may be carried over to the following grant cycle. To ensure that each application is given fair consideration, the review and funding decision process generally takes six to nine months from the deadline date for which the proposal was submitted.

All applicants will receive written notification regarding funding decisions.

In an effort to ensure the broadest response to the needs of our community, the Foundation's policy requires organizations to submit proposals annually regardless of prior funding.

Step Four: Reporting Requirements

STATEMENT 22
Page 1 of 9

Once approved, grantees must use the Washington Grantmakers' Common Report Format for all interim and final reports, as required in their grant agreement

Additionally, declarations, reports and new proposals must be submitted separately.
