Statement of Program Service Accomplishments

Provide music education for all children regardless of race, cultural or economic background.

During the year, the Chorus provided music education in a choral setting for over 80 children from all racial, cultural and economic backgrounds. Primary expenses were incurred by providing the teaching services of experienced and certified teachers. The classes were led to after school rehersals.

The children were given the opportunity to perform what they had learned before many audiences in different venues during the year. These performances enhanced their self-confidence and self-esteem with enhanced personality and social contacts witnessed by family, teachers and those in the community.

Children without economic resourses to participate were provided with scholarships. No child who was qualified by objectivwe music standards and metn the rules of conduct were denied an opportinity to participate.
