COMPENSATION POLICY - OFFICERS	Form 990, Part VI, Section B, Question 15A	Central Maine Healthcare (CMHC) has established and follows a deliberative transparent process which meets IRS regulations for "Rebuttable Presumption of Reasonableness" A standing Executive Compensation Committee (ECC), comprised of independent members of Board leadership, exists to undertake the process of determining compensation for the Chief Executive Officer, Chief Financial Officer, Chief Medical Officer, President of Central Maine Medical Center, President of Rumford Hospital, and President of Bridgton Hospital The process guidelines and authority of the ECC are set out in the Executive Compensation Philosophy and Responsibilities Charter which was approved by the CMHC Board The entire CMHC Board participates in the annual performance evaluation of each executive, including a review of accomplishments relative to goals and objectives derived from the strategic plan The ECC reviews the results of the annual performance evaluation and appropriate comparability data based on several factors recommended by an independent executive compensation consultant who specializes in not-for-profit hospitals and health systems and our attorneys Factors used in determining comparability to the organization include size, geography, organizational complexity, facility type, ownership type, and any other factors deemed relevant by the Committee, its consultants, or attorneys Using this information, the ECC annually reviews the executives' compensation to determine if modification to base salary is warranted, and reviews the executives' accomplishments to determine if any variable pay is to be awarded The entire process is then documented contemporaneously with the decision-making process and approved thereafter in accordance with the requirements of the IRS

FUNDRAISING ACTIVITIES	SCHEDULE G, PART II, COLUMN A	The Dempsey Challenge - This event takes place in October, 2009 and as such will fall into the 2009 reportable tax year. While the event did not take place during the 2008 tax year, it still ranked second in gross receipts for fundraisers during the reportable period. Event gross receipts reported include donations, sponsorships and event participant registrations of which receipts began in March, 2009. The expenditures reported represent event organizing and startup costs that began in November, 2008. Due to the overlapping year cycle of this event, each subsequent reported tax year will have a portion of revenue and expenses attributable to the event occurring within the reportable tax year, as well as some expenses, sponsorships, registrations and donations associated with the following year's event. As such, the amount reported with this return is not representative of a single event's proceeds, rather it is a report of activity encompassing overlapping periods for an event that crosses a reportable tax period.
