Partnership Development through the Website - Arts Every Day recognizes community partners are the driving force behind Baltimore City's arts education and arts integration collaboratives. Partners play significant roles in activities with the school system as professional development, teaching the arts in schools, advocacy and fundraising. Arts Every Day intends to create more benefits for its partners through the development of its website.

Arts Integration Programs - Arts Every Day encourages individuals and groups of people to incorporate community resources and make connections to the school curriculum. Arts Every Day is working with five City Schools to facilitate their transition to arts integration schools.

Arts Every Day exists to ensure Baltimore City students have access to the arts every day through arts education, arts experiences, and arts integration. Following the belief that a strong cultural education is fundamental to the development of all children, Arts Every Day facilitates partnerships among Baltimore City schools and the artistic, cultural, historical, and scientific institutions of Baltimore City.
