Identifier	Return Reference	Explanation
Procedures for Monitoring the use of grant funds	Schedule I, Part I, Line 2	The Financial Aid office notifies students if they are eligible for specific endowment scholarships. Once notified students fill out an application to apply for the respective scholarship. If the scholarship is for a specific program, the dean or other faculty member for that program will review the applications and make recommendations to the Financial Aid office and who should receive the award. Financial Aid verifies again if the student is still eligible for the award and issues the funds to the recommended students. The Financial Aid office monitors the use of the funds to ensure they are used for their intended purpose.
