Identifier	Return Reference	Explanation
SchI_P01_S00_L02	Schedule I, Part I, Line 2	The primary responsibility for financing a college education rests with the student. Financial aid from the College and other sources is viewed only as supplementary to the efforts of the student and the student's family. Students requesting financial aid are expected to contribute toward their educational expenses through summer or college employment and/or loans in any reasonable combination. Financial aid is an important factor for many students, and 100 percent of Manchester College students receive some combination of grants, scholarships, loans, and work. The College will determine a student's eligibility for financial aid by using the results of the Free Application for Federal Student Aid (FAFSA), the estimated family contribution (EFC) and review of edit (c-codes), as well as the student's academic records and funds available. Manchester College utilizes an awarding matrix based on a combination of academic and financial need criteria referenced above. The College administers financial aid from federal, state, and institutional resources utilizing the federal guidelines established by the U.S. Department of Education. The following steps must be taken by a student to receive a financial aid package from Manchester College: 1. Apply for admission and be admitted to Manchester College. Eligibility for academic scholarships from the College is determined through the admission process. 2. Submit a FAFSA. Eligibility for federal and state grants and loans is determined through this process. The student must designate the results be sent to Manchester College, and Indiana students must have a receipt date between Jan 1 and March 10 to be considered for state grant eligibility. 3. Submit any additional documentation requested by the College. Enrollment Requirements: Students receiving financial aid must maintain full-time enrollment, (a minimum of 12 semester hours) in each of the fall and spring semesters. There are circumstances in which part-time students demonstrating need may be awarded financial aid depending on the guidelines and availability of federal, state and institutional funding. Part-time students must enroll in a minimum of six hours to maintain eligibility for institutional funds and loans. Degree Requirements: Students must be working toward their first baccalaureate degree to be eligible for federal, state or institutional grants and scholarships. Students who have previously completed a baccalaureate degree are eligible for loans only.
