Form 990, Part VI, Section B, line 15		Annually, the Human Resources Task Force of the YMCA of the USA sends to all Y's their Salary Administration Guideline Recommendation. The guideline lists salary ranges and recommended merit increases. Salary ranges are based on objective criteria. Arthur Anderson developed the "Hay Plan" in 2000. There is a point system rating for each job, which includes total revenue responsibility, managerial know-how, and decision complexity for each salary job. The Human Resources Committee reviews the guidelines and recommends to the Board Chair and the Executive Committee an appropriate merit increase for the CEO. The HR committee consists of 6 YMCA members. These HR committee members are McGaw YMCA members in good standing, and they are independent volunteers. The Board Chair completes an employee status change form authorizing the merit raise and this form is permanently kept as part of the CEO's payroll records in the Finance Department. The CEO reviews the performance and job salary scale for all key employees. Salary increases are based on the job salary range, and are based on which quartile the salary is in for each position.
