#### INDEPENDENT AUDITOR'S REPORT

August 11, 2009

The Board of Directors of Montessori School of Lake Forest Lake Forest, Illinois

We have audited the accompanying statements of financial position of the Montessori School of Lake Forest (an Illinois nonprofit organization) as of June 30, 2009 and 2008 and the related statements of activities and cash flows for the fiscal years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Montessori School of Lake Forest as of June 30, 2009 and 2008, and the results of its operations for the fiscal years then ended in conformity with accounting principles generally accepted in the Unites States of America.

# MONTESSORI SCHOOL OF LAKE FOREST NOTES TO FINANCIAL STATEMENTS JUNE 30, 2009 AND 2008

## 1. DESCRIPTION OF THE ORGANIZATION

Montessori School of Lake Forest (School) is an Illinois nonprofit organization, which operates a school for approximately 230 students aged three months to fifteen years in the Lake Forest area of Chicago since its founding in 1966. The School promotes and disseminates the educational philosophy and principles of Maria Montessori.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Non-for-Profit Organizations. Under SFAS No. 117, the School is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

# Cash and Cash Equivalents

The School considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### Promises to Give

Contributions are recognized when the donor makes a promise to give to the School that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# **Property and Equipment**

It is the School's policy to capitalize property and equipment over \$500. Lesser amounts are expensed. Purchased property and equipment is capitalized at costs.

Certified Public Accountants

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of eash that must be used to acquire property and equipment are reported as restricted support.

Property and equipment are depreciated using straight-line method over the useful life of the asset as follows:

Land Improvements	20 years
Buildings	40 years
Building Improvements	20 years
Equipment and office furniture	3 to 10 years

Depreciation expense was \$180,679 and \$166,384 for the fiscal years ended June 30, 2009 and 2008, respectfully.

#### **Donated Services**

Certain supporting services of the School are performed by volunteer personnel. Due to the nature of these services, these volunteer hours have not been recorded in the financial statements.

#### Tuition and Fees Received in Advance

Revenues of tuition and registration fees are deferred as a liability and recognized over the period to which these revenues relate.

## **Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Expenses which are easily and directly associated with a particular program or supporting service are allocated directly to that functional category. Certain costs have been allocated between the program and supporting services benefited based on estimates of staff time devoted to the functional areas and other allocation factors.

#### **Income Taxes**

The School is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

# 3. CONCENTRATIONS OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURED LIMITS

The School maintains cash and cash equivalents in certain financial institutions. As of June 30, 2009, balances at these institutions exceeded the FDIC insured limits by \$450,963.

Certified Public Accountants

## 4. LOAN ACQUISITION COSTS

Loan acquisition costs of \$89,228 are being amortized on the straight-line basis over 10 years. Amortization expense was \$8,916 for the fiscal years ended June 30, 2009 and 2008. During the fiscal year ended June 30, 2009, the School paid \$750 for loan refinancing costs that will be amortized in subsequent years over the revised loan term.

#### 5. MORTGAGES PAYABLE

Montessori School of Lake Forest entered into a second mortgage payable to Prairie Holdings Corporation relating to the purchase of land and building (Blue House) utilized by the Adolescent Program in 2007. The \$300,000 mortgage note is payable in monthly installments of principal and interest of \$1,799 for a term of thirty years to February 28, 2037 at 6% interest.

The mortgages payable also include a \$3,000,000 note due to a secured lender with interest at 5.75%. Interest and principal payments of \$126,303 are due each March and September through March 15, 2019, according to the original provisions of the loan agreement. The loan agreement was amended on September 20, 2009 to revise certain of the provisions of the loan agreement.

The revised loan agreement continues to require principal and interest payments on each March 15 and September 15 through and including September 15, 2019. Principal payments commence with the March 15, 2010 payment of \$83,193 and increase proportionately per the agreement's Schedule 1. The interest rate has been revised to a 3.76% fixed rate from September 15, 2009 to September 15, 2012. For each subsequent interest period, the interest rate shall be either a fixed or variable rate, as directed by the Borrower to the Bondholder and approved by the Bondholder.

The revised loan agreement also contains a provision that the Bondholder may exercise its right under section 303 of the Bond agreement to require prepayment of the loan principal balance plus accrued interest on September 15, 2012 and on the last day of each subsequent interest period. The note is secured by the school building, land and other assets of the School. The lender required a \$100,000 deposit to establish a debt service fund account. This escrow account is being held in a bank escrow account.

Maturities of the mortgage payable for years subsequent to June 30, 2009 are as follows:

Fiscal Year Ending June 30	_Amount
2010	\$ 140,841
2011	174,625
2012	180,715
2013	179,860
2014	179,111
Thereafter	1,294,762
Total Mortgage Payable	<u>\$_2,149,914</u>

Certified Public Accountants

#### 6. ADVERTISING

The School expenses the costs of advertising as incurred. Total advertising expense was \$13,431 and \$15,682 for fiscal years ended June 30, 2009 and 2008, respectfully.

#### 7. EMPLOYEE RETIREMENT BENEFIT PLAN

The School has employee retirement benefit plan that qualifies as a deferred salary arrangement under Section 403(b) of the Internal Revenue Code. Under the employee retirement benefit plan, participating employees may defer a portion of their pretax earnings, up to the Internal Revenue Service annual contribution limit. The School has contributed up to 3%, of the participating employee's compensation, totaling \$18,146 in 2009 and \$18,786 in 2008.

#### 8. LOSS CONTINGENCY

Montessori School of Lake Forest is a defendant in a lawsuit filed by one of its former employees for alleged breach of employment agreement, including the manner in which the former employee was terminated. The Court has denied the School's motion to dismiss. Outside counsel for the School has advised that at this stage of the proceedings he cannot predict the outcome of this action. Montessori School of Lake Forest intends to vigorously defend this action.
