Statement 1 – Form 8868 – Application for Extension of Time To File an Exempt Organization Return – Explanation. Form 990-EZ was essentially a new method of reporting our information because our organization had been completing form 990 in all of the prior fiscal years. I had several concerns about the final entries to the return so I hired an accountant to review my work. They completed a review and found an error along with making recommendations for our book keeping. The process took longer than I expected.
