13 homes were completed in the fiscal year and 5 homes were under construction at year end. Approved partner families are required to pay a downpayment and complete "sweat equity". They pay a monthly interest free mortgage once they take ownership. There WERE 53,782 volunteer hours contributed during the fiscal year. We operate a building materials outlet named Habitat ReStore. Donated products are sold to the general public at less than 50% of the retail cost. The store has three primary benefits. First, all profits are used to build more homes for more families. Second, we help the environment by diverting products from the landfill and encouraging reuse and recycling. 862,663 pounds of material were diverted from the landfill in the fiscal year. The third primary benefit is that product is made available to the general public at greatly reduced prices which allows families and property owners to make upgrades they may not otherwise be able to afford.

We offered over 20 educational/training courses taught by volunteers to applicants, current homeowners, and past homeowners to help these families be prepared for owning a home. These courses ranged from home maintenance to landscaping to budget counseling. Since offering these courses, Habitat has seen a huge success rate for families staying in their homes and keeping the quality higher than neighboring homes.
