Identifier	Return Reference	Explanation
Schedule O Disclosures	Various - See the following references	<p>IRS Form 990 Part VI Section A Lines 6-7 Sartori Health Care Foundation, Inc has one member which holds several reserved powers over Sartori Health Care Foundation, Inc. These reserved powers include, but are not limited to, the election of members of the governing body and election of officers, approval of certain financial expenditures in accordance with policy, and approval of budgets and strategic plans, these approvals are based on recommendations from the governing body. IRS Form 990 Part VI Section A Line 10 Affiliates of Wheaton Franciscan Healthcare use a multiple-level review process on all Federal and State information and tax returns to ensure accurate and timely filing for all organizations. Under the direction of the Tax Manager, the Accounting Department prepares Forms 990, 990-T, and associated state filings. When complete, the return is first reviewed by the Accounting Director, who focuses on the income statement and balance sheet items, and all schedules where transactions of this type might be reported. If discrepancies are found, the item will be corrected prior to the next step in the review process. Once cleared through Accounting, the return is provided to the Tax Department, where the Tax Manager and Vice President of Treasury and Risk Management focus their review on consistency of reporting between all returns, accuracy of tax related information, and explanation and understanding of any outliers. Again, any problems or questions are investigated and corrected. Depending on the level of complexity of the year in question, as well as the individual issues specific to that filing, certain returns may be selected for outside review by a public accounting firm. This decision will vary from year to year based on many factors, and sometimes outside review is not utilized at all. Also, certain schedules, such as Schedule K, Schedule H, and Schedule J, may be selected for review by outside bond counsel, the compensation committee, and/or a Community Benefit associate respectfully and as needed. This decision will vary from year to year, again based on many factors. The Tax Department, upon completion of all levels of review, will schedule an appointment with the Senior Vice President and CFO, who will perform a review prior to signing the return. Once signed, the return is cleared to provide to members of the Board of Directors. The parent organization, Wheaton Franciscan Services, Inc has designated that the Audit Committee review the parent return. This is a cursory review, where the 990 is explained at a high level by management representatives, and any questions or concerns that the board have can be addressed. At a later date and prior to e-filing, the full board is provided access to all 990's and 990-T's throughout the system via an online portal. A similar process exists at the regional holding company level - the 990 of fairly good complexity is selected for review by the Finance and Operations Committee. Similarly, the 990 (and accompanying 990-T if any) is explained at a high level, and board questions or concerns are addressed. Members of the full board, similar to the parent organization board, are provided access to the 990's and 990-T's within that region via an online portal. IRS Form 990 Part VI Section B Line 12c As part of the annual process, conflict of interest questionnaires are sent out to all Officers and Directors to capture information on potential conflicts as well as information on business and family relationships for purposes of answering certain questions on IRS Form 990. Responses to these questionnaires are reviewed weekly by the Vice President of Compliance, the Manager of Tax Compliance, and the Manager of Legal Services. Responses to questions are documented in a spreadsheet for follow up at a later time. After an approximate 6 week time frame, names of all non responders are compiled, and these individuals receive either an email or letter with a duplicate questionnaire, asking them once again to complete the information. Responses to questionnaires continue to be reviewed and documented throughout this time period. Approximately 1 month prior to the filing deadline of IRS Form 990, responses to date are compiled. Any response requiring disclosure is entered into the information return. Also at this date, the remaining non responder names are determined, and a letter, along with the actual Conflict of Interest Policy, is sent to the Chairperson of each board. The letter outlines the current non responders, as well as any Officer or Board member that has disclosed a financial interest that might pose a potential conflict of interest. Depending upon the nature of the financial interest and work done by the board, several actions may be considered - the board member with a financial interest would need to voluntarily excuse him or herself from the deliberations or voting on such a matter, or, if necessary, the board would determine that the subject's financial interest was an actual conflict of interest, in which case the board member would be informed by the board Chairperson that he or she would not be allowed to vote in any such matters due to this real or perceived conflict of interest. Minutes of the board meeting would document this decision process, and reflect whatever action(s) are ultimately taken. The board chairperson is also required to discuss with non responders the repercussions of not responding after two attempts, and require the board member to complete the annual conflict of interest disclosure questionnaire before being allowed to continue in any board matters. If the board member refuses, the Chairperson has the authority to determine the appropriate action, including, but not limited to prohibiting them from participating in deliberations, preventing them from voting, and/or removing them as a board member. IRS Form 990 Part VI Section B Line 15 The compensation of Wheaton Franciscan Services Inc (WFSI) CEO and other officers and key employees of the filing organization is reviewed and approved on an annual basis by the Executive Committee of the WFSI Board of Directors, an independent board, acting in a manner consistent with its conflicts of interest policy. The board's decision is informed by an opinion on market comparable compensation data provided to the board by an independent compensation expert. The organization maintains contemporaneous documentation of the substantiation of the deliberation and decision by the board. IRS Form 990 Part VI Section C Line 19 Affiliates of Wheaton Franciscan Healthcare provide upon request certain documents including our financial statements, conflict of interest policy, and governing documents that support our tax exempt status, including, but not limited to, articles of incorporation and bylaws. Requests for information are considered on a case-by-case basis, and this process is outlined in our Public Disclosure Policy. Also, as part of the requirements for tax exempt bond financing, the consolidated financial statements of Wheaton Franciscan Services, Inc (EIN 36-3262111), the parent corporation of Wheaton Franciscan Healthcare affiliates are required to be provided each quarter to the Municipal Securities Rule Making Board (MSRB). The vehicle used to accomplish this is through an external website (http://www.emma.msrb.org) referred to as "EMMA" (Electronic Municipal Market Access System). The financial statements are uploaded each quarter to the website, and along with other information provided at the bonds inception, are available for viewing by the general public.</p>
