STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS	FORM 990, PART III, Q 4A	INTRODUCTION I Organization's Mission, Vision, and Tax-Exempt Purpose The mission of Valley City Mercy Hospital and Catholic Health Initiatives is "to nurture the healing ministry of the church by bringing it new life, energy and viability in the 21st Century Fidelity to the Gospel urges us to emphasize human dignity and social justice as we move toward the creation of healthier communities " CHI's Vision is to live up to our name as one CHI Catholic Living our Mission and Core Values Health Improving the health of the people and communities we serve Initiatives Pioneering models and systems of care to enhance care delivery The primary exempt purpose of Valley City Mercy Hospital is to provide healthcare services to residents in the community and surrounding area regardless of their ability to pay Mercy Hospital was founded to alleviate a shortage of hospital beds in the community and opened on May 14, 1928 As the first Catholic hospital to serve the community, Mercy Hospital embraced the mission of the founding congregation, The Sisters of Mercy, which has since joined with other congregations to form Catholic Health Initiatives Services available at Mercy Hospital Acute Care & Swingbed, Cardiac Rehab, Cataract Surgery, Education, Emergency Room, Faith in Action, General Surgery, Home governing Board of Directors whose membership includes five representatives from Valley City and the immediate surrounding area Also on the Board are two women religious from the Sisters of the Presentation of the Blessed Virgin Mary Uncompensated Care/Benefits for the Poor Mercy Hospital provides a significant level of free health care each year II Community Benefit Approach Mercy Hospital is located in Valley, City, Barnes County, North Dakota As of 2000, the population is 11,775 According to the U S Census Bureau, the county has a total area of 1,513 square miles As of the census of 2000, there were 11,775 people, 4,884 households, and 3,115 families residing in the county There were 5,599 housing units at an average density of 4 per square mile (1/km) The racial makeup of the county was 97 91% White, There were 4,884 households out of which 27 40% had children under the age of 18 living with them, 53 90% were married couples living together, 6 80% had a female householder with no husband present, and 36 20% were non-families 31 50% of all households were made up of individuals and 15 90% had someone living alone who was 65 years of age or older The average household size was 2 29 and the average family size was 2 89 The median income for a household in the county was \$31,166, and the median income for a family was \$42,149 Males had a median income of \$28,504 versus \$18,447 for females About 6 40% of families and 10 80% of the population were below the poverty line, including 10 90% of those under age 18 and 10 90% of those age 65 or over Our best-known, but often least-utilized, Community Benefit program is the financial assistance we provide to patients who cannot afford to pay for their care Financial assistance applications are available on our website (www.mercyhospital.biz/news) and at our facilities The process is extremely confidential and our goal is to award financial assistance rather than turn patients over to collection for healthcare bills Charity Care is free or discounted health and health-related services provided to persons who cannot afford to pay for medically necessary health care Eligibility is based on household income as well as other assets Consideration is given to a patient who has significant or catastrophic medical bills and does not meet the income guidelines Charity Care is given to uninsured, low-income patients who are not expected to pay all or part of a bill, or who are able to pay only a portion using an income-related fee schedule The income benchmark is typically considered to be 130% of the federal poverty level Community benefit programs for the poor are geared to reducing morbidity and mortality in beneficiaries of Medicaid or state or local indigent programs Benefits for the Broader Community are persons other than a "target population" who benefit from a health care organization's community services and programs Major strategies to address identified community needs Community Assessments Barnes County values families and family economics that allow time and can provide guidance that develops values that represents respect, discipline, charity, community, responsibility, etc The community assessment programs through the last few years that Mercy Hospital has supported with employee leadership and/or involvement is included in the QUALITATIVE DESCRIPTION OF COMMUNITY BENEFIT Community Benefit is the name given to the programs we create in response to health needs in our service areas An important part of our mission is building healthier communities through programs designed to serve the needs of people who are poor and disadvantaged in our community This type of Community Benefit has the added, positive side-effect of delivering an improved quality of life for everyone Community Benefit most often takes place outside the walls of our facilities and involves partner organizations in the community Our Community Benefit activities are designed to *Identify and increase awareness of health needs in Valley City *Provide resources to meet those needs *Create collaboration between community organizations that focus on health and well being *Tackle problems such as poverty, homelessness, or behaviors (such as obesity, domestic violence or underage drinking) that can contribute to poor health Community Health Services Community health education Community health education offered at no charge to the broader community is diabetic education, self monitoring of blood-glucose, and preparation of advance directives Community Health Educational opportunities encompass a wide span of patient types Education includes lectures, presentation, and other programs and activities provided to groups without providing clinical or diagnostic services Support Groups typically are established to address social, psychological or emotional issues related to specific diagnoses or occurrences These groups may meet on either a regular or an intermittent basis Cardiac Support Group, Bereavement Support Group and Diabetes Support Group Continued
