Form 990, Part III, Q4A- Pt I	Statement of Program Service Accomplishments	EXEMPT PURPOSE ACHIEVEMENTS Introduction Saint Elizabeth Regional Medical Center is a 501(c)(3) organization that was originally formed, as Lincoln's first hospital, in 1889 by the Sisters of St. Francis of Perpetual Adoration for the purpose of providing medical care. The mission of Saint Elizabeth Regional Medical Center is to nurture the healing ministry of the Church by bringing it new life, energy, and viability in the Twenty-First Century. Fidelity to the Gospel urges us to emphasize human dignity and social justice as it moves toward the creation of healthier communities. As the first Catholic hospital to serve the community, Saint Elizabeth Regional Medical Center, has since joined with other religious congregations to form Catholic Health Initiatives. Saint Elizabeth has a board of directors that is comprised of independent community representatives. Saint Elizabeth is included in the Official Catholic Directory as a tax-exempt hospital. Community service has always been at the core of Saint Elizabeth's activities. Each year, services and programs are expanded to promote healthy communities through innovative programs, collaborations and partnerships. The programs and services described throughout this report not only serve the community, but also reduce the burdens on the government. For example, if Saint Elizabeth did not provide charity care, the burden of providing charity care would fall on government-supported institutions. Saint Elizabeth provides essential health care services by maintaining a 257 bed medical center with 44 outpatient beds designed to provide the highest quality medical care while embracing traditions rich in spirituality. The region's most innovative and holistic care is available through association with more than 475 physicians, many who are board certified, as well as a physician network of family and specialty clinics in Lincoln and the surrounding areas. During 2009 Saint Elizabeth provided 60,724 days of acute inpatient care, in surgical, orthopedics, pediatrics, oncology, general medical, intensive care, cardiology and obstetrics, to 13,710 patients. Five thousand four hundred seventy eight days of care were provided in the nursery. Outpatient registrations totaled 114,222. In addition to the services provided locally, Saint Elizabeth has committed its expertise in wound care to other communities and providers. During 2009 mobile wound services provided 95,769 minutes (1,596 hours) of care to patients in surrounding communities. A focus on delivering exceptional patient care in a state-of-the-art environment with experienced medical professionals has driven Saint Elizabeth to go beyond the basic and provide service lines designed to provide specialty care in the local community. Examples include: Emergency Care Saint Elizabeth operates a 24-hour emergency department ED 365 days per year. The emergency room is open to all individuals regardless of ability to pay. During 2009 over thirty-four thousand visits were made to the emergency center. Saint Elizabeth's ED is one of the top medical centers in the U.S. for the fastest response time for heart attack patients giving them the best chance for survival and recovery. The ED has also been awarded second place in the medium hospital category for Overall Emergency Department Satisfaction. Chest pain, stroke, broken bones, high fever or other emergencies receive expert, compassionate care fast and have access to Certified Chest Pain and Certified Stroke Centers. Neonatal Intensive Care Unit (NICU) The birth of a baby is a wonderfully complex process, however, in the event of complications, Saint Elizabeth has physician specialists, state-of-the-art technology, highly trained nurses, and other uniquely trained professionals who are focused upon providing immediate care to the medical challenges of new borns. During 2009 Saint Elizabeth provided 6,672 days of care to 369 NICU patients. Burn Center The Saint Elizabeth Regional Burn Center is verified by the American College of Surgeons. The Burn Center offers specialized care, services, equipment and staff to treat the most critical burn injuries.
