Order of Alhambra Charity Fund, Inc.  
Federal Employer ID: 52-1571850  
Attachment to 2008 Form 990, Schedule A

Part III Support Schedule – Line 16 Public support percentage

Facts and Circumstances – Public Support test:

The International Order of Alhambra has been in existence for over 100 years and at times has had upward to 35,000 members. This Organization is a 501(c)(10) Organization that was created as a fraternal Organization of Catholic men to provide assistance to developmentally disabled persons across the country. In order for these members to contribute for the purpose of providing assistance to developmentally disabled persons, they created an affiliate Organization called the Order of Alhambra Charity Fund, Inc. which is a 501(c)(3) organization formed with the purpose of providing financial assistance to individuals and facilities that educate and treat mentally handicapped individuals. While the Order of Alhambra Charity Fund, Inc. has failed the one-third public support test for the prior tax years because of unusually high investment income in 2004, we do believe that it meets the Facts and Circumstances test to qualify as publicly supported.

The first requirement of the Facts and Circumstances test, the ten percent-of-support requirement, states that for the four years immediately before the current tax year, the Organization should have received at least 10% of its support from the general public or governmental sources. The aggregate public support percentage for the previous four years for The Order of Alhambra Charity Fund, Inc. is 31.49%.

The second requirement of the Facts and Circumstances test requires the Organization to have in place a continuous and bona fide program for the solicitation of funds from the general public or governmental sources to show that it is organized and operated with the intentions of attracting public support. The Order of Alhambra Charity Fund, Inc. has a program in place to actively solicit funds from the general public to support its mission of providing financial assistance in the form of grants and scholarships to individuals and facilities to treat mentally handicapped individuals.

Regarding the five public support factors:

1. *Percentage of financial support factor* – The Order of Alhambra Charity Fund, Inc. percentage of public support for the previous four years in aggregate is 31.49%, which is very close to the one-third percentage requirement. The Organization failed to meet this requirement for the past tax years because of an unusually high percentage of investment income in 2004. The investment income received in 2004 was from income on unrestricted designated funds that were originally received from public sources.

2. *Sources of public support* – In the past, this Organization has normally received its support in the form of contributions from the general public to support its mission.
3. *Representative governing body factor* – The governing body represents members of the general public who believe in the Organization's mission. These individuals are voted into office bi-annually.
4. *Availability of public facilities or services factor* – The mission of this Organization is to provide financial assistance to treat mentally handicapped individuals on a daily basis.
5. *Additional factors pertinent to membership organizations* – While The Order of Alhambra Charity Fund, Inc. is not a membership organization, its mission is to provide financial assistance to mentally handicapped individuals, and its services are available to members of the general public in need of such assistance.

When all of the above factors are taken into consideration, we believe that The Order of Alhambra Charity Fund, Inc. meets the Facts and Circumstances Test to qualify as publicly supported.
