Entrepreneur Program - CIT recognizes that the availability of early-stage capital is a critical need of many emerging technology companies by making connection with "hard to access" private and federal funding sources. CIT Growth Acceleration Program (GAP) Funds make seed-stage equity investments in Virginia-based technology and life science companies with a high potential for achieving rapid growth and generating significant economic return. CIT's Federal Funding Assistance Program identifies and accelerates opportunities for Virginia's small technology businesses to obtain SBIR, STTR and ATP awards and other government contracts.
