Procedure for Monitoring Grants in the U S	Part I, Line 2	Schedule I, Part I, Line 2 Fellows Fund The ACR maintains detailed records on all grants and assistance given through the Fellows Fund, including eligibility and selection criteria for all applicants. All applications undergo review at the committee level, and scholarships are used to support educational activities and meetings. All recipients agree to use the funds as outlined in the scholarship application. Within Our Reach The ACR donated \$1 Million to the Research and Education Foundation specifically for the Within Our Reach Finding a Cure for Rheumatoid Arthritis campaign. 100% of all donations to this campaign go straight to the research. The Foundation was required to present benchmarks to the ACR Board of Directors in order to demonstrate the success of the program so far. Upon approval, the donation was released. The Within Our Reach grant application contains very specific eligibility and review criteria. All applications undergo rigorous peer review in their assigned study section, and are scored and ranked according to the review criteria and overall merit of the proposal. All study section recommendations are sent to the REF Scientific Advisory Council for review before being presented to the REF Board of Directors for final approval. After the award is made, all recipients are required to submit annual progress reports, which are reviewed by the REF Scientific Advisory Council to ensure compliance with programmatic, scientific and fiscal and administrative policies and requirements. All award recipients are required to submit a final report at the end of the award term noting project outcomes and providing a detailed financial reconciliation, which requires a statement and signatures of institutional officials that the award is in compliance with programmatic, scientific and fiscal and administrative policies and requirements.
