## **STATEMENT #1**

**The Community Foundation of Broward, Inc.**  
**Mission and Most Significant Activities**  
**EIN 59-2477112, Form 990 – Part I Line 1**

**The mission of the Community Foundation of Broward is to:**

**To provide leadership on community solutions and foster philanthropy that connects people who care with causes that matter.**

The Community Foundation's purpose is to enhance and improve the quality of life for all who live in Broward County. We invest in innovative programs that improve our community impact, award scholarships to those who demonstrate a commitment to education, and provide leadership and management training to nonprofits dedicated to long term viability.

To accomplish its goals, the Community Foundation links donors' charitable dollars with results-oriented programs. We pool contributions of all donors, invest those assets, and direct a portion of the investment return into the community through an effective grantmaking process. This service is fundamental to the Foundation's purpose and role to create a permanent endowment to support our community For Good. For Ever.

The Community Foundation of Broward continues to break new ground with programs and initiatives to strengthen our community. One such program is the Foundation's Nonprofit Resource Center. The Center teaches nonprofits how to best manage their organizations and how to operate efficiently and effectively in today's competitive environment. The Nonprofit Resource Center, the first of its kind in this area, positively impacted the nonprofit sector. We hosted workshops, produced and distributed informative print materials, engaged in one-on-one consultations, and introduced a dynamic "Boards in Action" session benefiting many area organizations.

The Foundation is a leader in identifying and solving critical community issues as outlined in the summary of grants enclosed with this tax filing.

**STATEMENT 2**  
**COMMUNITY FOUNDATION OF BROWARD, Inc.**  
**Description of Program Services**  
**Form 990 Part III line 4**  
**FYE June 30, 2009 EIN # 59-2477112**

**Program Service Accomplishments:**

In accordance with our mission, the Community Foundation of Broward provides "leadership on community solutions." A key way this is accomplished is through grants. The Foundation strives to award grants that support organizations that:

- Create a better future for the population they serve
- Address a critical challenge or opportunity
- Inclusively unite people, other organizations and resources and
- Produce significant and widely shared results.

This year, \$4.7 million in grants was awarded that supported 660 solution that transformed lives in our community including:

- Capacity Building grants were awarded to develop sustainable skills, deepened organizational infrastructures and provide resources that are necessary for recipients.
- Civic Engagement grants were awarded to help provide communities with a process that determines their future.
- Health and Human Services grants were awarded for education in HIV/AIDS prevention to 16,600 youth, program for the homeless and access to new therapies for those in need.
- Support for Former Foster youth grants were awarded to help youth transition out of foster care.
- Youth and Families grants were awarded to provide education and awareness for a better community.

Proposals by nonprofit organizations are submitted online through the Foundation's signature software PhilNet: Philanthropy Network for Broward. Foundation staff conducts a thorough review of these proposals that includes research, site visits, interviews of grantee staff and board members as well as experts in the field. This ensures donors and the community that grants are being used effectively to advance prescribed goals.

After review, grant proposals that receive recommendation for awards by staff are presented to a committee of the Board of Directors. This committee queries staff, assures alignment of grants with Foundation goals and makes recommendation to the full Board for approval. The Board members declare conflicts of interest, asks additional questions and approves the final list of grants.

Before checks are presented, a grant contract is signed by the Foundation and the grantee. This contract outlines the projected outcomes and mid and final grant reports required.

**Process to determine that scholarship recipients qualify to receive payments:**

The Community Foundation of Broward (CFB) holds and administers a number of educational scholarship Funds established by donors. CFB Scholarship Policies ensure that the educational grants meet the requirements of paragraphs (1), (2), or (3) of section 4945(g) of the Internal Revenue Code and the Pension Protection Act 2006-HR4 and are awarded on an objective and nondiscriminatory basis.

Scholarships that are based on financial need require a copy of the parent or adult student's tax return and a formula is used to determine unmet need based on Adjusted Gross Income, number of dependent family members attending college at the same time and other financial resources dedicated for post-secondary education.

Some scholarships have additional specific criteria: course of study, college attending, GPA, citizenship, county of residence, etc. In some cases, an applicant is required to provide a copy of their parents and the student's drivers license, original school transcript and letters of reference as well as any other information needed to demonstrate they meet the criteria.

All applications are reviewed initially by Foundation staff or an appointed committee. Using the above criteria, qualified recipients are selected. The committees then makes their final recommendation and present to the Board of Directors for final approval.

Once a student is selected, they are sent an award letter that lists all the required stipulations of receiving the scholarship. They must sign and return acceptance of the award. The scholarship payment is sent directly to the college and the college is instructed as to how the scholarship or money may be used and that any unused portion must be returned to the Foundation. For multi-year awards, students are required to have an official transcript sent to the Foundation before additional monies are sent to the college.

A number of our scholarships are administered through a selection committee in partnership with the Broward Education Foundation who utilizes guidance counselors that focus on college bound students. They abide by the selection criteria for each CFB Fund, conduct due diligence in assessing the unmet financial need, make recommendations of recipients, disburse scholarship Funds to the colleges and universities of each recipient, and handle the annual follow-up verification of enrollment for students with multi-year scholarships. All verification documentation is then provided to the Foundation to release additional years' payments on multi-year scholarships.
