FIN-48-2 and FIN 48-3 have deferred the effective date for most nonpublic companies until years beginning after December 15, 2008. For nonpublic companies that have elected to defer adoption of the provisions of FIN 48, the election of that deferral and certain additional disclosures about the entity's accounting policy for evaluating uncertain tax positions must be made.

The Association has elected to defer the adoption of FIN 48. Further, it is the policy of management to evaluate its tax positions on an ongoing basis and to disclose any such positions it believes would have a material impact on the financial statements and related notes. Management also believes that no such required disclosures currently exist.
