Statement of Program Service Accomplishments	990 PART III LINE 4A	Flaget Memorial Hospital was founded in 1951. The goal of the Sisters of Charity of Nazareth, along with civic leaders and local physicians, was to respond to the health care needs of Nelson County, Kentucky and surrounding geographic areas. Since its inception, Flaget Memorial Hospital has embraced the mission of the Sisters of Charity of Nazareth to provide healthcare as a continuation of the healing ministry of Jesus, which means a preferential option for the poor and vulnerable among us. This tradition has been complimented and enhanced with Flaget's membership in the Catholic Health Initiatives and Saint Joseph Health System community. The mission of Flaget Memorial Hospital is to nurture the healing ministry of the Church by bringing it new life, energy, and viability in the 21st century. Fidelity to the Gospel urges us to emphasize human dignity and social justice as we move toward the creation of healthier communities. Our vision is to live out our Catholic identity through our integration of our mission and core values, improve the health of the communities we serve, and pioneer models and systems of care to enhance care delivery. We are proud of the way our services to our community have expanded over the years as we have grown into a comprehensive healthcare provider. We compliment our ability to offer all the latest technology with personal and compassionate touch. Thomson - Reuters has noted our excellence in healthcare as we have been named one of the top 100 hospitals in the United States four of the past five years. As an organization, we recognize that the practice of Catholic healthcare calls us to serve the entire human person. Thus the services we offer our community not only meet our patient's physical needs, but also their psychological, spiritual, educational and social needs as well. For patients who cannot afford to pay for their care, we have stated policies that allow us to offer financial counseling and assistance through our charity care programs. Our community benefit efforts flow naturally from our mission statement and core values. We work with the federal and state government by participating in programs such as Medicare and Medicaid, and our services reduce the burdens on the government. While we realize that the federal government has expectations to fulfill our charitable purpose, our true motivation is found in fulfilling our collective calling to serve the healthcare needs of all people, regardless of social or economic standing. This commitment is displayed throughout Flaget's Emergency Department, which is always open to care for people who do not have the means to pay. We welcome and grant privileges to all qualified physicians on our open medical staff. Flaget is governed by the board of Saint Joseph Health System which is predominantly comprised of independent persons representative of communities throughout Kentucky. A local council of community members also provides guidance as to how Flaget can most effectively serve community needs. Furthermore, we help prepare our future healthcare leaders beginning with a teen volunteer program and by being a clinical site for students in various clinical training programs. We are continuously working closely with the social service providers in Nelson County to maximize resources and avoid duplication of services. Through our collaborative coalition, we can more effectively monitor trends and significant community needs and issues. For the twelve months ending June 30, 2009, Flaget Memorial Hospital provided quantifiable benefits to the poor and broader community of \$8,032,882, with 21,154 people benefiting from these services. The major components of these community benefits are as follows: <table><tr><td>COMPONENT</td><td>*NUMBER SERVED</td><td>COMMUNITY BENEFIT</td></tr><tr><td>Benefits to the Poor</td><td>Charity Care at cost 5,224</td><td>\$4,852,358</td></tr><tr><td>Unpaid Costs of public programs, Medicaid and other indigent care programs</td><td>8,732</td><td>3,035,917</td></tr><tr><td>Community Health Services</td><td>Subsidized health services</td><td>Financial Contributions 251</td></tr><tr><td>17,255</td><td>Other benefit provided to the Poor</td><td>3,600</td></tr><tr><td>59,080</td><td>Total Benefits to the Poor</td><td>17,807</td></tr><tr><td>7,964,610</td><td>Benefits for the Broader Community</td><td>Community health services</td></tr><tr><td>2,810</td><td>18,170</td><td>Health professions education</td></tr><tr><td>132</td><td>16,140</td><td>Subsidized health services</td></tr><tr><td>Research</td><td>2,380</td><td>Financial contributions</td></tr><tr><td>352</td><td>29,962</td><td>Community building activities</td></tr><tr><td>53</td><td>1620</td><td>Community benefit operations</td></tr><tr><td>Other benefit provided to the broader community</td><td>Total Benefit for the Broader Community</td><td>3,347</td></tr><tr><td>68,272</td><td>Total Benefit for the Poor and Broader Community</td><td>21,154</td></tr><tr><td>\$8,032,882</td><td>* Since most of these programs are ongoing, the number served will include repeat encounters with the same person.</td><td>** The unpaid cost of Medicare is not included in total community benefit.</td></tr><tr><td>Community Outreach for the Poor</td><td>Since the fall of 1991, Flaget had operated an outreach program we called "Shelter Care" which provided a variety of emergency resources for people in need including food, utility assistance, housing assistance, and assistance with prescription medication. This was operated by Sr. Mary Foeckler, a Sister of Charity of Nazareth, and at the time of her retirement we took the opportunity to evaluate the program and determine if our resources were being maximized through the existing service or if we should pursue another form of outreach ministry. The process began with conversations with other social service agencies, namely St. Vincent DePaul and Community Action Agency, and we learned that we were all offering similar services. Furthermore, we realized each of us were having difficulty keeping up with the increasing demands, so we all agreed we had to work in a more coordinated way to be better stewards of our finite resources. In the end, we each agreed to specialize in a particular area(s) and we began focusing specifically on prescription assistance, while St. Vincent DePaul is focusing on food and some housing assistance, and Community Action Agency is focusing on utility assistance and some housing assistance. We also agreed that we would begin to refer to each other for services the other was doing. The decision to specialize in prescription assistance was most logical for us because we would regularly work with patients who couldn't afford prescribed medications at discharge. We didn't feel like we were fulfilling the totality of our mission if we only cared for them while they were in the hospital and didn't provide the resources they needed when they left. We took this to another level by looking at how we could build a healthy community by making this available to all people in our community who were having difficulty paying for the increasing costs of prescription drugs. Once we knew what we wanted to do, we were offered technical assistance from the Senior Service Corps in a neighboring county who showed us how to utilize program offered through the pharmaceutical companies that allow people to receive long-term medications at little or no cost. However, there are several shortfalls with the pharmaceutical company programs. Even if a patient is fortunate enough to find the correct application forms, they can be difficult to complete because of complexity and each company has different forms with different qualifying criteria. Furthermore, if a patient does qualify, it takes up to 8 weeks for them to begin receiving the medications, and in the time being they are on their own to find money to pay for the medication. To address these concerns, we hired a part-time social worker who has developed expertise with all the available programs to walk patients through the application process and maintain on-going paperwork. Furthermore, to bridge the gap to when a patient receives the medications, we have a voucher system that provides funds for patients to immediately receive the prescriptions they need through local pharmacies. This past fiscal year, our Prescription Assistance Program generated over \$322,000 in market value of free prescriptions for our community. Food Drive and Christmas Sponsorship: We partner with local social service organizations and organize a hospital food drive and Christmas sponsorship for individuals and families in need over the holidays.</td></tr></table>	COMPONENT	*NUMBER SERVED	COMMUNITY BENEFIT	Benefits to the Poor	Charity Care at cost 5,224	\$4,852,358	Unpaid Costs of public programs, Medicaid and other indigent care programs	8,732	3,035,917	Community Health Services	Subsidized health services	Financial Contributions 251	17,255	Other benefit provided to the Poor	3,600	59,080	Total Benefits to the Poor	17,807	7,964,610	Benefits for the Broader Community	Community health services	2,810	18,170	Health professions education	132	16,140	Subsidized health services	Research	2,380	Financial contributions	352	29,962	Community building activities	53	1620	Community benefit operations	Other benefit provided to the broader community	Total Benefit for the Broader Community	3,347	68,272	Total Benefit for the Poor and Broader Community	21,154	\$8,032,882	* Since most of these programs are ongoing, the number served will include repeat encounters with the same person.	** The unpaid cost of Medicare is not included in total community benefit.
