Hawkins County Memorial Hospital is a public trust. This hospital, like the other Wellmont Health System facilities of which it is a member, was born of its community's commitment to superior health care for its citizens. It is our mission to deliver superior health care with compassion to the people we serve. It is our vision to deliver the best health care anywhere. Consistent with this mission, we have worked toward improving our community's access to quality, affordable health care, educating our region's caregivers, improving the health status of our communities and contributing to the overall quality of life in the areas we serve. Overall, we returned more than \$9,779,733 in benefits to our community, including \$9,769,005 of costs for indigent patients and uncompensated care for other patients and \$10,728 for other community activities. Hawkins County Memorial is a 50-bed facility in Rogersville, Tenn. We provide a wide variety of services, including emergency care, physical and occupational therapies, surgery, orthopedic care, intensive care, outpatient specialty clinics, laboratory services, audiology services, cardiovascular services, respiratory therapy, sleep evaluations and treatment, spine rehabilitation services and diagnostic imaging. In 2009, we provided services to 2,399 patients in a bed, we had 32,055 outpatient encounters, and we performed 477 inpatient and outpatient surgical procedures. We are mindful of our responsibilities as one of Rogersville's largest companies. Hundreds of families count on us for their livelihoods. Our city relies on us as a driver of economic development. It is our duty as a corporate citizen to support those endeavors and causes that improve the quality of life in our region. And we also recognize it is our responsibility to care for those in need - regardless of their ability to pay. It is our commitment - indeed, it is our mission - to support the causes and develop the initiatives that will propel our community toward a better, brighter, healthier and more vibrant future. Regardless of race, religion, ethnicity or ability to pay, Hawkins County Memorial treats all patients for medically necessary conditions. Recognizing that some patients cannot afford essential medical services, we provided care for indigent patients, writing off \$1,783,977 of charges and incurring cost of \$503,082. Additionally, we provided care to persons covered by Medicare, Medicaid, TennCare and Champus at less than cost. Due to mandated reductions in Medicare funding from the Balanced Budget Act and declining reimbursement from TennCare, the shortfall between receipts and the cost of providing care to these patients totaled \$9,265,923. And as a responsible corporate citizen, we at Hawkins County Memorial honor our obligation to support the quality of life in our region. Our direct donations to area not-for-profit organizations totaled \$2,590 and were made to organizations including the Rogersville Area Chamber of Commerce, Rogersville City School System, Cherokee High School, Rotary Club of Rogersville, Boys & Girls Club of Hawkins County, Rogersville Arts Council and East Tennessee Physical Therapy Association. We support and encourage our employees to give their time to area not-for-profit organizations, which included the American Heart Association, American Cancer Society, various United Way agencies and the Rogersville Area Chamber of Commerce and its programs. Many of our employees also serve in community rescue squads. Hawkins County Memorial will not succeed in our mission without continually reinvesting in our most precious resource - our people. To that end, we provided on-the-job training to nursing candidates at a direct cost of \$8,138. This program utilizes nursing staff who have completed a degree but not yet passed board certification. This provides invaluable experience for new nurses, who are supervised by board certified nurses during this time. The hospital also provides benefit to area high school athletes by subsidizing the sports medicine program at Cherokee High School in Rogersville, Tenn. Hawkins County Memorial pays for 50 percent of the salary and mileage of a staff physical therapist based at the school.
