Form 990, Page 2, Part III	Community benefit report	This report illustrates the significant degree to which Providence Hospital contributes to the positive health status of the communities it serves. As a member of Ascension Health, the nation's largest Catholic healthcare system, Providence Hospital continues to build and strengthen sustainable collaborative efforts that benefit the health of individuals, families, and society as a whole. The goal of Providence Hospital is to perpetuate the healing mission of the church. Providence Hospital furthers this goal through delivery of patient services, care to the elderly and indigent, patient education and health awareness programs for the community, and medical research. Our concern for all human life and dignity of each person leads the organization to provide medical services to all people in the community without regard to the patient's race, creed, national origin, economic status, or ability to pay. Providence Hospital has engaged in the following activities to ensure that our mission is accomplished: Unreimbursed Services Provided to the Elderly and the Poor. Providence Hospital provides a large portion of its services to the elderly and poor. During the fiscal year ending June 30, 2009, approximately 34% of the value of services rendered were to elderly patients under the Medicare program, and approximately 10% of the services were provided to patients who were deemed indigent under state, county, or Medical Center Guidelines. In the spirit of principles adopted by Ascension Health, Providence Hospital has taken proactive steps to address those issues that will affect accessibility, the financing, and the delivery of healthcare to all persons, especially the uninsured, underinsured, and the underserved. During the fiscal year ending June 30, 2009, the estimated unreimbursed cost of services provided to the elderly, uninsured, and underinsured totaled \$9,800,000. Patient Services. During the fiscal year ending June 30, 2009, our Medical Center treated 14,801 adults and children in the community for a total of 73,276 patient days of service. The Medical Center also provided services for 159,758 outpatient visits, including 10,403 outpatient surgery visits, and 40,859 emergency and minor care visits.
