New England Funding Priorites

New England Focus

The goal of LEF New England is to fund the work of independent film and video artists in the region and broaden recognition and support for their work locally and nationally.

LEF New England seeks to accomplish its mission through deeper, more focused, multi-year funding of selected film projects, and by sponsoring programs that highlight the rich history and ongoing legacy of innovation within New England's independent film community

Consistent with the Foundation's original mission, LEF New England supports artists with an independent, creative vision whose work informs and animates the larger public conversation essential to a democracy.

LEF New England continues to be a regional funder, advocating for, and supporting, the innovative work of both emerging and established independent film and video artists. The overall purpose of LEF's philanthropic investment is to help build a more sustainable and stronger community of support for artists and their work.

Moving Image Fund Grants

LEF New England launched the Moving Image Fund (MIF) in 2002 to support independent film and video artists creating new work. In its transition from a broader to a more defined funding strategy, LEF is currently focusing MIF support on documentary filmmaking. Through MIF, LEF provides funding across all phases of production, supporting films from the early risk-taking stage, through a film's completion. In this way, MIF offers a continuum of support for selected projects, while also identifying new talent.

Guidelines

LEF invests in documentary film and video projects that demonstrate excellence in technique, originality of vision and voice, and creativity in form. The strongest proposals will be those that clearly articulate the ways in which the proposed project embodies the program's funding criteria

Funding Criteria

- Quality of cinematic form and technique
- Originality of filmmaker's voice, vision, and point of view
- Resonance and power of the film's core idea or story
- Feasibility of production

For production and post-production projects, priority will be given to those projects that have received previous LEF funding.

Eligibility

- Projects must be long format; running times of 40 minutes or more.
- Primary creative personnel must reside in New England.
- Priority will be given to smaller scale projects with budgets under $350,000.
- Students enrolled in degree-granting programs may not apply.
- Multi-channel or installation work will not be considered.
- Applicants MUST have a fiscal sponsor (a nonprofit with a 501[c]3 designation from the federal government) that has agreed to manage the fiscal activity of the grant.
- For prior grantees, a final report on previous LEF grant funding is required. Previous LEF grantees, please click here for important eligibility information

Pre-Production Funding

A maximum of (8) grants of $5,000 will be awarded to projects in the pre-production phase of development at two deadlines per year, Summer and Fall. Please click here for more information on how to apply.

Appropriate Use of Funds: Pre-production funds may be used for research, travel, location scouting, script or storyboard development, experimentation with shooting picture and sound, distribution planning, fundraising, and schedule and budget development.

Production Funding

A maximum of (6) grants of $15,000 each will be awarded to projects in the production phase during LEF's major grants review The deadline for Letter of Inquiry is January 29, 2010 at 5pm (please note this is an in-house deadline and not a postmark date). Click here for more information on how to apply.

Appropriate Use of Funds: Production funds may be used for shooting picture and sound, equipment costs, materials, travel, and staffing (creative, technical, or otherwise).

Post-Production Funding

A maximum of (3) grants of $25,000 each will be awarded to projects in the post-production phase during LEF's major grants review. In order to be eligible for Post-Production support, the project for which you are applying **must have received previous LEF support**. The deadline for Letters of Inquiry is January 29, 2010 at 5pm (please note this is an in-house deadline and *not* a postmark date). Click here for more information on how to apply.

Appropriate Use of Funds: Post-production funds may be used for editing costs, rights, online, sound mix, color correction, transfers and distribution strategy.
