Second Extension, Form 8868, Line 7	Reason for second extension	A second extension for the Form 990 was requested by certified mail on February 15, 2010, because at that time "records necessary to file an accurate return are incomplete." Our staff member inadvertently failed to type the reason on the extension request. We assume this led to the denial dated March 29, 2010, of the extension. There was never any intention on the part of the client or the preparer to delay the filing of the return without cause. In fact, returns for three related entities were all filed before the due date of the first extension. All information for the revised Form 990 has now been received and a complete return is being filed. Please abate any penalties for late filing, since there was reasonable cause to request a second extension and the filing of an incomplete and inaccurate Form 990 would not have been in the best interest of the public or the Internal Revenue Service.
