Form 990, Part III, Line 1 - Briefly describe the organization's mission:

We are a community of learners with a long and honored tradition of caring deeply about students and their education. Students are challenged to experiment with ideas, raise questions, critically examine alternatives, and make informed decisions. We encourage students to accept responsibility for their own learning, to discover and pursue their passions, and to act with responsibility. Our purposes are to prepare students to lead lives of learning, accomplishment, and service, and to help them develop skills and attributes critical for success in a rapidly changing world. We do this by offering distinctive academic programs that emphasize theory and practice and encourage active, experiential, collaborative, and cross-disciplinary learning. We work to pursue excellence while promoting inclusiveness and respect for differences.
