The School-age Care and Day Camps Program serves children from kindergarten through grade six, ages five through twelve. YMCA Youth Development Programs supports teens with programs including teen dance, youth employment, babysitter workshops and youth leadership training. Description of Procedures for Monitoring the Use of Grant Funds in the United States

#### Explanation.

Reference:

Schedule I. Part I. Line 2

There are three distinct funding streams: 1) allocated funding, 2) sub-grants, and 3) designated funding. Allocated Funding: These are grants and investments that are decided by the staff and volunteers of Spokane United Way. These partner agency investments are made annually based upon a multi-level approach to improving tives in Spokane County. The first level is to determine the strategic direction of investments. In 2008, the strategy targeted improvements in health, education, and income of County residents, with an emphasis on reducing child abuse rates, and increasing kindergarten readiness and on-time high school graduation. The grant application process was open to 34 agencies with historical funding relationships with us. Each program application was reviewed and site visits were conducted by one of six investment review teams, staffed by community volunteers and facilitated by United Way employees. To the degree that agency programs aligned with our strategic direction, and could evidence quantifiable results against objectives, grants for one year were determined and executed. 2 Subgrants: These are contractual payments, usually on a cost-reimbursement basis, that further the work of socialservice grants that United Way entered into with state or federal agencies or larger foundations. 3 Designated Funding. These are payments made by United Way at the direction of donors who have designated their gifts to a specific agency. With donor-designated gifts, United Way acts as an agent to pass through donor gifts to eligible 501(c)(3)organizations who provide us with a signed statement of compliance with the Patriot Act. Funds are passed through after deducting a fee to recover associated fundraising and administrative costs. The determination of these fees are in compliance with membership standards established by United Way Worldwide.
