Community Benefit Report Continued		Payment assistance policy for low -income persons and its communication to the public CATHOLIC HEALTHCARE WEST SUMMARY OF PATIENT FINANCIAL ASSISTANCE POLICY Policy Overview Catholic Healthcare West (CHW) is committed to providing financial assistance to persons who have health care needs and are uninsured or under-insured, ineligible for a government program, and otherwise unable to pay for medically necessary care based on their individual financial situations Consistent with its mission to deliver compassionate, high quality, affordable health care services, and to advocate for those who are poor and disenfranchised, CHW strives to ensure that the financial capacity of people who need health care services does not prevent them from seeking or receiving care Financial assistance is not considered to be a substitute for personal responsibility, and patients are expected to cooperate with CHW's procedures for obtaining financial assistance, and to contribute to the cost of their care based on individual ability to pay Individuals with financial capacity to purchase health insurance shall be encouraged to do so as a means of assuring access to health care services Eligibility for Patient Financial Assistance - Eligibility for financial assistance will be considered for those individuals who are uninsured, ineligible for any government health care benefit program, and unable to pay for their care, based upon a determination of financial need in accordance with the policy - The granting of financial assistance shall be based on an individualized determination of financial need, and shall not take into account age, gender, race, or immigration status, sexual orientation or religious affiliation Determination of Financial Need - Financial need will be determined through an individual assessment that may include - an application process in which the patient or the patient's guarantor is required to cooperate and supply all documentation necessary to make the determination of financial need, - the use of external publicly available data sources that provide information on a patient's or a patient's guarantor's ability to pay, - a reasonable effort by the CHW facility to explore and assist patients in applying for appropriate alternative sources of payment and coverage from public and private payment programs, and will take into account the patient's assets and other financial resources - It is preferred but not required that a request for financial assistance and a determination of financial need occur prior to rendering of services The need for financial assistance may be re-evaluated at each subsequent rendering of services, or at any time additional information relevant to the eligibility of the patient for financial assistance becomes known - CHW's values of human dignity and stewardship shall be reflected in the application process, financial need determination and granting of financial assistance Requests for financial assistance shall be processed promptly, and the CHW facility shall notify the patient or applicant in writing within 30 days of receipt of a completed application Patient Financial Assistance Guidelines Services eligible under the policy will be made available to the patient on a sliding fee scale, in accordance with financial need as determined by the Federal Poverty Level (FPL) in effect at the time of the determination as follows - Patients whose income is at or below 200% of the FPL are eligible to receive free care, - Patients whose income is above 200% but not more than 350% of the FPL are eligible to receive services at the average rates of payment the CHW facility would receive from Medicare, Medicaid (Medi-Cal), Healthy Families, or any other government-sponsored health program in which the hospital participates, whichever is greater in amount for the same services, - Patients whose income is above 350% but not more than 500% of the FPL are eligible to receive services at 135% of the average rates the CHW facility would receive from Medicare, Medicaid (Medi-Cal), Healthy Families, or any other government-sponsored health program in which the hospital participates, whichever is greater for the same services, - Patients whose income exceeds 500% of the FPL may be eligible to receive discounted rates on a case-by-case basis based on their specific circumstances, such as catastrophic illness or medical indigence, at the discretion of the CHW facility CHW's administrative policy for Eligibility and Application for Payment Assistance shall define what qualifies as income for these purposes Communication of the Financial Assistance Program to Patients and the Public - Information about patient financial assistance available from CHW, including a contact number, shall be disseminated by the CHW facility by various means, including the publication of notices in patient bills and by posting notices in the Emergency and Admitting Departments, and at other public places as the CHW facility may elect Such information shall be provided in the primary languages spoken by the populations served by the CHW facility - Any member of the CHW facility staff or medical staff may make referral of patients for financial assistance The patient or a family member, a close friend or associate of the patient may also make a request for financial assistance Budgeting and Reporting - Specific dollar amounts and annual plans for patient financial assistance will be included within the Social Accountability Budget of the CHW facility CHW facilities will report patient financial assistance calculated at cost in the annual Social Accountability Report and may voluntarily report such information as deemed appropriate - Patient financial assistance statistics shall be disclosed in annual financial statements but shall not include amounts that are properly considered to be bad debt or contractual discounts Relationship to Collection Policies - CHW system management shall develop policies and procedures for internal and external collection practices by CHW facilities that take into account the extent to which the patient qualifies for financial assistance, a patient's good faith effort to apply for a governmental program or for financial assistance from CHW, and a patient's good faith effort to comply with his or her payment agreements with the CHW facility - For patients who qualify for financial assistance and who are cooperating in good faith to resolve their hospital bills, CHW facilities may offer interest-free extended payment plans to eligible patients, will not impose wage garnishments or liens on primary residences and will not send unpaid bills to outside collection agencies Regulatory Requirements In implementing this policy, CHW management and CHW facilities shall comply with all federal, state and local laws, rules and regulations that may apply to activities conducted pursuant to this policy

Community Benefit Report Continued		2 Organizational Description for Tax Exemption The hospital - operates an emergency room that is open to all persons regardless of ability to pay, - has an open medical staff with privileges available to all qualified physicians in the area, - has a governing body in which independent persons representative of the community comprise a majority, - does not engage in medical or scientific research programs, - engages in the training and education of health care professionals, - participates in Medicaid, Medicare, CHAMPUS, Tricare and/or other government-sponsored health care programs 3 Description of Community Benefit Program - Support Groups Support Groups are offered by SNMH to patients, their family and friends to assist in coping with grief, traumatic brain injury and cancer 4 Links to Additional Community Benefit Information Payment assistance information http://www.chwhealth.org/intradoc-cgi/ldc.cgi_isapi.dll?ldcService=SS_GET_PAGE&ssDocName=MSYS_M051316 Community benefit report http://www.chwhealth.org/stellent/groups/public/@xinternet_con_snv/documents/w_ebcontent/snv_m060207.pdf SECTION 2 - QUANTIFIABLE COMMUNITY BENEFIT UNSPONSORED COMMUNITY BENEFIT EXPENSE Un-sponsored community benefits are programs or activities that provide treatment and/or promote health and healing as a response to identified community needs. These benefits (a) generate a low or negative margin, (b) respond to the needs of special populations, such as persons living in poverty and other disenfranchised persons, (c) supply services or programs that would likely be discontinued, or would need to be provided by another not-for-profit or government provider, if the decision was made on a purely financial basis, (d) respond to public health needs, and/or (e) involve education or research that improves overall community health. Benefits for the Poor include services provided to persons who are economically poor or are medically indigent and cannot afford to pay for healthcare services because they have inadequate resources and/or are uninsured or underinsured. Benefits for the Broader Community refer to persons in the general community, beyond and including those in a target population. Most services for the broader community are aimed at improving the health and welfare of the overall community. Traditional Charity Care is free or discounted health services provided to persons who cannot afford to pay and who meet CHW's criteria for payment assistance. Net Community Benefit, excluding the unpaid cost of Medicare, is the total cost incurred after deducting direct offsetting revenue from government reimbursement, patients, donations and other sources. The following is a summary of Sierra Nevada Memorial-Miners Hospital's community benefits for the year ended June 30, 2009, in terms of services to the poor and benefits for the broader community, which has been prepared in accordance with the Catholic Health Association of the United States' publication, A Guide for Planning and Reporting Community Benefit.
