SchC_P2B_S00_L01	Schedule C, Part II-B, Line 1	The organization worked to obtain the issuance of an "Affinity License Plate" as authorized under Florida law. The State of Florida has a program where qualified 501(c)(3) charities can apply for an affinity license plate, and have a portion of the proceeds of the plate's sales go towards furtherance of the organizations projects. The state legislature must approve a bill to create the plate, later to be signed into law by the governor. If the plate is approved, the organization would receive a portion of the purchase price of each plate, and can use these funds under a state approved financial plan to further its projects and goals. The sole lobbying activities of the organization were related directly to encouraging the passage of legislation for direct benefit of the organization and its projects and public charitable efforts. The legislation for the affinity plate only is of direct benefit to the organization, and no other entity. No funds were expended for lobbying purposes, members were simply encouraged to contact their legislators and ask them to pass this legislation.
