Form 990, Part III, Line 1 - Organization Mission

Cornerstone Christian School believes in ministering to the total person. We, therefore, feel the need to provide a high quality education, both spiritually and academically, to the children of the San Angelo area. The primary objective and purpose of the school is to provide a sound academic education, integrated with a Christian view of God and the world. Children should be educated at home and at school with the consciousness that all truth is God's truth, including history, geography, science, music, and the arts; and that Jesus Christ is central in all learning and living. Cornerstone Christian School seeks to offer parents a positive alternative to public education. The primary reason for our existence is to offer a Christian foundation upon which the minds of children are developed. Character training is an important element at Cornerstone Christian School. We believe that the heart of this training is obedience, which will eventually cultivate an inner self-discipline and is essential to the emotional, physical, social and spiritual well-being of the student. The teacher is the authority in the classroom. Discipline is administered firmly but fairly with love. To obey, to do right, and to love God and country are attitudes we strive to instill in each student, thus equipping him for his role in God's plan for his life and for his proper place in society.
