What is the organization's primary exempt purpose? Luria Academy is a nurturing, child-centered, Torah value-oriented environment dedicated to academic excellence and Jewish heritage. By incorporating the teaching methodology of Montessori along with the traditional modes of respected Jewish day schools, we aim to create a new model for Jewish education. Our objectives for students at different stages are guided by developmentally appropriate goals typical in most school settings, however, each child's abilities and individual development always takes precedence over adult inspired directives.			
Describe what was achieved in carrying out the organization's exempt purposes. In a clear and concise manner, describe the services provided, the number of persons benefited, or other relevant information for each program title.			
28 Private school - Luria classrooms combine the use of carefully chosen Montessori materials with thematic topics that are explored through the whole group, small group and individual activities.
