Statement of Program Service Accomplishments

Strengthened the Association through engaged membership participation and board development.

Improved members' services through communication, effective meetings, cutting edge training, support services and leadership opportunities. Specifically, we held two very successful Washington State Association meetings that included top notch trainers along with noteworthy speakers. In June we held a conference (Summer Institute) which included intensive workshops on literacy development, working with children with disabilities, and improving health outcomes. We also held several regional trainings/workshops and conferences. We also held a meeting and a retreat for Headstart Directors. This gave Directors an opportunity to learn new skills and share information.

Established strong collaborative partnerships with related associations, programs, governmental units and individuals. For example, we are currently working in partnership with the Department of Early Learning and the Region X Head Start office in an effort to help Head Start programs meet the new teacher degree requirements.
