In April 2008, Milton Hospital participated in a town-wide forum held at Milton High School. The hospital looks forward to involvement in additional programming on this topic as it forges a stronger relationship with local schools. Milton Hospital held Diabetes Awareness Week in June 2008. Form 990, Part I, Line 1 - Briefly describe the Organization's mission or most significant activities:

Milton Hospital is committed to improving the health of our community by providing high quality, personalized health care with compassion, dignity and respect for patient rights in a cost effective and safe environment. Throughout 2008, culminating in March 2008, Milton Hospital launched a public awareness campaign on colorectal cancer. In addition, Milton Hospital gastroenterologists published articles about the importance of colonoscopies in colorectal cancer prevention. These bylines appeared in local publications, as well as in the fall and spring issue of the hospital's community newsletter. Also, a physician-led lecture added a final component to Milton Hospital's awareness campaign. The hospital's May community health fair featured a display of The Prevent Cancer Foundation's Super Colon, a giant, inflatable model of a colon that offered an upclose look at both healthy and non-healthy colon tissue. Over 250 people attended the health fair and viewed the Super Colon.
