Base compensation, incentive compensation, and benefits are included in the review. The executive consultants review organization structure, individual job descriptions, and discuss scope of leadership and span of control with Human Resources, the Chief Operating Officer, and the Chief Executive Officer as a part of the process to determine proper placement of the pay grade and level of participation in incentive and benefits programs. The Compensation Committee periodically reaffirms the total compensation philosophy which targets the 75th percentile of total compensation for our leadership team. The peer group used is national hospitals and health systems of similar size and scope. Key Employees and others outside of the Executive Leadership Team have compensation set by HR guidelines and/or market compensation studies.
