MONITORING THE CONFLICT OF INTEREST POLICY	FORM 990, PART VI, SECTION B, LINE 12B AND 12C	King's Daughters Medical Center (and its subsidiaries, including Kentucky Medical Logistics, Inc) requires all directors and officers to comply with its Conflicts of Interest Policy, which tracks the IRS's recommended policy with respect to such officers and directors. Members of the Medical Center's Board of Directors must annually identify, in writing, any interest that could give rise to a conflict, such as a leadership position in a conflicting organization; disclosure is not limited to financial conflicts. Leadership employees must annually certify, in writing, that no conflicts of interest exist. In addition, employees of the Medical Center must certify that no conflicts of interest exist or obtain an advance waiver of any conflicts. The Medical Center's General Counsel obtains all relevant disclosures and signatures. If a conflict of interest is reported, the Vice President or Senior Vice President to whom the reporting employee directly or indirectly reports, together with the CEO, determines if a conflict exists. If the reporting employee is a Senior Vice President, the CEO, in consultation with the General Counsel, determines if a conflict exists. A member of the Medical Center's Board of Directors reports any conflict or potential conflict to the Chairman of the Board, the CEO and/or the General Counsel of the Medical Center, as appropriate. If it is determined that a conflict exists, the employee or Board member is removed from any part of the decision-making process, and has no role in the instance in which the conflict exists. A Board member who reports a potential or actual conflict of interest must abstain from any relevant discussion or vote. If a conflict of interest is discovered after the fact, the CEO and Vice President or Senior Vice President, together with the General Counsel, if appropriate, review the instance in which the conflict occurred. Those leaders ensure that the conflicted individual did not influence decision-making or profit from the conflict. The conflicted individual is removed from any further involvement. In addition, any failure to report conflicts of interest violates the Medical Center's policy and could result in disciplinary action, up to and including termination of employment or removal from the Medical Center's Board of Directors.
