Form 990, Part VI, Section B, line 12c		The Corporation is committed to preventing any Participant of the Corporation from gaining any personal benefit from information received or from any transaction of Sharp. One component of the written conflict of interest policy requires that Board Members, Corporate Officers, Senior Vice Presidents and Chief Executive Officer(s) are required to submit a conflict of interest statement annually to Legal Services/Senior Vice President of Legal Services who will review all statements. This particular component was not done in fiscal 2009, but will be completed annually going forward. All other aspects of the conflict of interest policy were followed and enforced. The current Conflict of Interest policy is being amended to add the Vice President level to those currently required to complete a conflict of interest statement annually as this level includes individuals who may comprise Key Employees of the organization. In connection with any transaction or arrangement, which may create an actual or possible conflict of interest, the person shall disclose in writing the existence and nature of his/her financial interest and all material facts. Board Members, Corporate Officers, Senior Vice Presidents, and the Chief Executive Officer(s) shall make such disclosures directly to the Chairman of the Sharp HealthCare Board, and to the members of the committee with the board designated powers considering the proposed transaction or arrangement. Upon disclosure of the financial interest and all material facts, the Board Member, Corporate Officer, Senior Vice President or the Chief Executive Officer(s) making such disclosures shall leave the board or the committee meeting while the financial interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists. In certain instances, such as if someone takes a board seat on a competitor's board of directors or has a role with an organization whereby the information that they may obtain from Sharp would put them in a consistent conflict with their two roles, the conflict could call for the individual's removal from the board. The bylaws for the organization provide for the ability to remove directors in accordance with Section 5222 of the California Corporations Code. This can generally be done on a "for cause" or a "no cause" basis by the action of the member.

Form 990, Part III, line 4a	Program Service Accomplishments	Sharp Health Plan ("SHP") offers a wide variety of commercial benefit plans to businesses in San Diego and Southern Riverside Counties. As San Diego's only locally based commercial health plan and as a not-for-profit enterprise, we are here for one simple reason to serve our members. The products are sold through insurance brokers, who help employers choose the plans and options that are best for them, and also provide support for the companies' other insurance needs, such as workers' compensation or life insurance, which means the contracts are with the employer group rather than individual members. SHP's largest employer group is Sharp HealthCare, with about 21,000 members. Most of SHP's employer groups are small companies (fewer than 50 employees), but SHP also provides coverage to some of San Diego's largest businesses. SHP also participates with CaliforniaChoice which is a statewide small group purchasing tool. When a company purchases insurance coverage through one of these programs, their employees can choose from several health plans, including SHP in San Diego. SHP remains committed to building a strong long term commercial strategy focused on future profitable growth and continued commitment to the community and customer service.

Culture The Sharp Experience For more than nine years, Sharp has been on a journey to transform the health care experience. Through a sweeping organizational improvement initiative called The Sharp Experience, the entire Sharp team has recommitted to purpose, while working and making a difference, and to the fundamentals that have made Sharp one of the nation's top-ranked health care systems. This renewed sense of direction has added discipline and focus to every part of the organization. Sharp is San Diego's health care leader because it remains focused on the most important element of the health care equation: the people. Through this extraordinary initiative, Sharp is transforming the health care experience in San Diego by striving to be: * The best place to work. Attracting and retaining highly skilled and passionate staff members who are focused on providing quality health care and building a culture of teamwork, recognition, celebration, and professional and personal growth. This commitment to serving patients and supporting one another will make Sharp "the best health system in the universe." * The best place to practice medicine. Creating an environment in which physicians enjoy positive, collaborative relationships with nurses and other caregivers, experience unsurpassed service as valued customers, have access to state-of-the-art equipment and cutting-edge technology, and enjoy the camaraderie of the highest-caliber medical staff at San Diego's preeminent medical institution. * The best place to receive care. Providing a new standard of service in the health care industry, much like that of a five-star hotel, employing service-oriented individuals who see it as their privilege to exceed the expectations of every patient - treating them with the utmost care, compassion and respect, and creating healing environments that are pleasant, soothing, safe, immaculate, and easy to access and navigate. Through all of this transformation, Sharp will continue to live its mission to care for all people, with special concern for the underserved and San Diego's diverse population. This is something Sharp has been doing for more than half a century. There were nearly 4,700 student interns within the Sharp system in FY 2009, providing more than 528,000 hours in disciplines including nursing, allied health, and professional educational programs. Sharp provides education and training programs for students in the continuum of nursing (e.g., critical care, medical/surgical, behavioral health, women's services, and wound care) and allied health professions such as rehab therapies (speech, physical, occupational, and recreational therapy), pharmacy, dietetics, lab, imaging (all the radiology professions), social work, psychology, and public health. Students from local community colleges, such as Grossmont College and Southwestern College (SWC), local and national university campuses, such as San Diego State University (SDSU), University of California, San Diego (UCSD), University of San Diego (USD), and Point Loma Nazarene University (PLNU), and vocational schools, such as Kaplan College, participate in Sharp's health professions training.</p> <p>College Collaborations Sharp's partnership with the University of Oklahoma (OU) College of Nursing, SDSU and SWC provides clinical, real-world experience in San Diego County for students enrolled in the OU Online Accelerated Second Degree Bachelor of Science in Nursing (BSN) Program and the OU Career Mobility Registered Nurse (RN) to BSN Program. The partnership seeks to boost the number of new nurse graduates by offering programs with increased flexibility and access for students. The Accelerated Second Degree BSN Program is for individuals with a bachelor's degree or higher in a non-nursing major. The program includes over 600 hours of online course work and nearly 900 hours of clinical experience at Sharp facilities. Candidates may earn a BSN from OU in 14 months, as well as become eligible to sit for the National Council Licensing Examination for Registered Nurses (NCLEX-RN). The Career Mobility RN to BSN Program offers licensed RNs an accelerated education to achieve a BSN from OU within nine months, providing them with greater opportunity for career mobility and advancement. The Career Mobility RN to BSN Program began in May 2006, and the OU Online Accelerated Second Degree BSN Program began in August 2007. The first Career Mobility RN to BSN class graduated students in May 2007. In December 2008, the first Accelerated Second Degree BSN class graduated students.</p> <p>The Health Academy The SCVMC Health Academy educates the next generation of health care professionals by introducing local elementary school students to a wide variety of health care careers. Since 2005, this program has provided hospital tours to hundreds of fifth graders, who have benefited from interactive learning in various areas of the hospital, including the laboratory, pharmacy, and billing departments. In the fall of 2008, a two-year grant from the California Endowment allowed for the expansion of the program to provide a diversity initiative to high school students. The Health Care Career Pipeline Partnership (HCPP) is a collaboration among the hospital, Barrio Logan College Institute (BLCI), San Ysidro High School (SYH), SWC, and the San Diego chapter of the National Association of Hispanic Nurses. The program has had tremendous success since its inception, and in FY 2009, SCVMC won a partnership award from the San Diego Science Alliance for its work in the HCPP. The award recognizes a San Diego business or employer that partners with the youth in the community. Health Sciences High and Middle College Sharp has teamed up as an industry partner with charter school Health Sciences High and Middle College (HSHMC) to provide students broad exposure to careers available in health care. During FY 2009, 294 HSHMC students participated on Sharp campuses for a total of 89,837 student hours. The collaboration between Sharp and HSHMC prepares high school students to consider and enter health science and medical technology careers within the following five career pathways: Biotechnology Research and Development, Diagnostic Services, Health Informatics, Support Services, and Therapeutic Services. During a 16-week period, supervised students rotate through instructional pods in various departments such as nursing, ob/gyn, occupational and physical therapy, behavioral health, Surgical Intensive Care Unit (SICU), Medical Intensive Care Unit (MICU), imaging, rehabilitation, laboratory, pharmacy, pulmonary, cardiac services, and operations. HSHMC students not only receive hands-on experience in patient care, but also guidance from Sharp staff on professionalism, career ladder development, and job/education requirements. HSHMC students earn high school diplomas, complete college entrance requirements, and have opportunities to earn community college credits, degrees, or vocational certificates. With the HSHMC program, Sharp is linking students with health care professionals through job shadowing and internships, to explore real-world applications of their school-based knowledge and skills. The program began with HSHMC students on the campuses of SGH and SMH, and in FY 2009 expanded to include SMV and SMBHN. Also in FY 2009, the program at SMH expanded to include all levels of high school students (grades nine through 12). Lectures and Continuing Education Sharp also contributes to the academic environment of many colleges and universities in San Diego. In FY 2009, Sharp staff committed more than 500 hours providing lectures, courses, and presentations on numerous college/university campuses throughout San Diego. Through the delivery of a variety of guest lectures, including, "The Role of the Clinical Nurse Specialist" at PLNU, pharmacy practice lectures at UCSD, and a variety of health administration lectures to public health graduate students at SDSU, Sharp staff remain active and engaged with San Diego's academic health care community. Sharp's Office of Continuing Medical Education (CME) assesses, designs, implements, and evaluates educational and training initiatives for Sharp's affiliated physicians, pharmacists, and other health professionals in order to better serve the health care needs of the San Diego community. In FY 2009, the professionals at Sharp's Office of CME invested approximately 1,200 hours in myriad CME activities open to San Diego health care providers, ranging from annual conferences in diabetes, coagulation therapy, and psychiatry, to presentations on patient safety, clinical effectiveness, and quality improvement.</p> <p>Volunteer Service Sharp Lends a Hand In FY 2009, Sharp continued its system-wide community service program, Sharp Lends a Hand, in order to further support the San Diego communities it serves. In March 2009, Sharp promoted the program both internally and in the community, requesting project ideas that focused on improving the health and well-being of San Diego in a broad, positive way, relied on Sharp for volunteer labor only, supported nonprofit initiatives, community activities or other programs that serve the residents of San Diego County, and had a completion date by September 30, 2009. Sharp employees voted on the qualified projects posted on Sharp's internal website, SharpNET. They selected five projects: Stand Down for Homeless Veterans, San Diego Food Bank, San Diego River Clean-up, Fourth of July Beach Clean-up, and San Diego Habitat for Humanity. In support of these projects, more than 1,400 Sharp employees, family members, and friends volunteered more than 5,500 hours. During three days in July 2009, 563 Sharp employees, family members, and friends provided support, including food, clothing, medical services, and companionship, to hundreds of homeless veterans at Stand Down for Homeless Veterans, an annual event sponsored by Veterans Village of San Diego.</p>

		<p>The San Diego Food Bank feeds people in need throughout San Diego County, and advocates and educates the public about hunger-related issues. During March, May, and August 2009, 566 Sharp Lends a Hand volunteers inspected and sorted donated food, assembled boxes, and cleaned the San Diego Food Bank warehouse. Habitat for Humanity coordinated a summer "Building Blitz" in which construction companies donated materials and labor to construct homes for needy San Diego families. In July 2009, 165 Sharp volunteers supported the builders by directing traffic, serving meals, keeping the site clean, and organizing workers. Finally, Sharp helped put the sparkle back in San Diego communities in 2009 with 145 employees, families, and friends volunteering to clean local beaches following the revelry of July 4th, and working with I Love a Clean San Diego and the San Diego River Park Foundations to help keep San Diego's watershed beautiful and pollution-free. Volunteers scoured the beaches and river for garbage and debris. Sharp Humanitarian Service Program In FY 2009, three Sharp employees were funded through Sharp's Humanitarian Service Program. This program allows employees to participate in service programs that provide health care and/or other supportive services to underserved or adversely affected populations. In FY 2009, Sharp employees devoted their time and energy to organizations that included Cross-Cultural Solutions, which provides a variety of international volunteer opportunities in caregiving, teaching, health care, and community development, and Opportunity International, which provides basic microfinance services - lending, savings, and insurance - as well as transformational training to empower people in underdeveloped communities to work their way out of chronic poverty. In addition, in FY 2009, a Sharp-affiliated surgeon led a team of ninety-four medical and surgical professionals from Southern California on a medical mission trip to Joyaba, Guatemala through HELPS International, a nonprofit relief organization. The medical/surgical team delivered needed medical care to rural Guatemala during their 10-day medical mission. The team built six operating rooms, a pharmacy, and specialty clinics in the impoverished Guatemalan community. Over the remaining days, the Sharp-led team delivered a range of critical services, both basic and complex, including treatments for a variety of infections and diseases such as cancer, an array of surgeries, including cataract surgery and amputation, and a multitude of screenings and diagnoses for patients who had not seen a physician in years - many in their entire lives. A documentary on the project, 10 Days in Guatemala, aired on Cox Cable's Channel 4 this past year. Sharp funded the production costs of the documentary.</p> <p>Community Walks In April 2009, more than 500 Sharp team members, families, and friends participated in the annual March of Dimes March for Babies. Sharp is a strong supporter of the event and raised nearly \$85,000 for the organization. Sharp is a proud supporter of the American Heart Association annual Heart Walk. In September 2009, more than 800 walkers represented Sharp at the San Diego Heart Walk held in Balboa Park. Sharp was the No 2 Heart Walk team in San Diego, raising more than \$125,000 for the American Heart Association. Sharp Volunteers Sharp volunteers are a critical component of Sharp's dedication to the San Diego community. Sharp provides a multitude of volunteer opportunities throughout San Diego County for individuals to serve the community, meet new people, and assist programs ranging from pediatrics to Senior Resource Centers. Volunteers devote their time and compassion to patients as well as to the general public, and are an essential element to many of Sharp's programs, events, and initiatives. Sharp volunteers spend their time within hospitals, in the community, and in support of the Sharp HealthCare Foundation, Grossmont Hospital Foundation, and Coronado Hospital Foundation. Sharp employees also donate time to Sharp as volunteers for the Sharp organization. In FY 2009, there were 2,764 total volunteers at Sharp, contributing 231,299 hours of their time in service to Sharp and its initiatives. Over 13,000 of these hours were provided externally to the San Diego community, through activities such as delivering meals to homebound seniors and assisting with health fairs and events. Table 1 details the number of individual volunteers and the hours provided in service to each entity. Volunteers spent additional hours supporting Sharp's three foundations for events such as Grossmont Hospital Foundation's annual Golf Tournament, the SMBHWN Stewardship Committee, galas held for SCVMC, Sharp Coronado Hospital and Healthcare Center (SCHHC), and SGH, and other events in support of Sharp entities and services.
