Identifier	Return Reference	Explanation
Part II-B, Line 1i	Explanation of Other Lobbying Activities	AVID Center retains lobbyists to promote awareness of the effectiveness of AVID and its importance for the advancement of education for children in public secondary schools. In the current era of declining revenue for public education in many states, lobbying is essential to continue state funding for AVID, or minimize the impact of cuts when required. The lobbying activity primarily consists of selected meetings with various government officials and agencies by AVID's senior management and its lobbying consultants to explain the importance of AVID. The lobbying actually seeks to obtain or maintain program funding for both direct funding of the AVID Center and also the various state funded local school district and county boards of education. Adequate funding of these programs is necessary for AVID to continue to grow and accomplish its exempt purpose mission.
