Annual Donor Report 2009

I ask you, how can God's love survive in a man who has enough of this world's goods yet closes his heart to his brother when he sees him in need?

— (1 John 3:17)

April 2010

Dear Friends:

The year 2009 will certainly be a year to remember, for a number of reasons. As I reflect on the year just completed, I'm reminded of the profound truths reflected in St. Paul's writings (Romans 5: 3-5):

...we boast in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit that has been given to us.

Many of our citizens are suffering in many ways these days. The realities of job losses and the accompanying economic hardships are evident all around us. Our volunteers and benefactors have been challenged as never before to help the growing numbers of at-risk families throughout central and southern Indiana in particular.

However, just as St. Paul wrote, we have reason to hope! By your generous financial and in-kind donations to the Society, along with the dedication of thousands of volunteers, we've been able to provide some measure of help and hope to more than 100,000 people during the past year at our Distribution Center, Client Choice Pantry, and Beggars for the Poor homeless outreach in Indianapolis! Thanks to our all-volunteer ministry, the annualized cost of delivering these services was \$6.09 per person! The Indianapolis Archdiocesan Council income for the fiscal year ending September 30, 2009, topped \$1M, with an additional \$355,000 received in grants and estate gifts, which enabled us to support our Indianapolis special works operations, including a 31 percent increase in food pantry client demand. We were also able to address some much-needed repairs and improvements to our facilities. In addition, direct contributions of nearly \$715,000 to our 48 Parish Conferences resulted in direct aid to another 56,000 needy people in our central and southern Indiana communities.

On behalf of the nearly 1,800 Vincentian volunteers in the SVdP Archdiocesan Council of Indianapolis who logged more than 180,000 hours in delivering these services to those in need, I thank you for your past support, I beg you for your continued support, and I pledge to you our best efforts in stewardship of your contributions to help those most in need.

With Deepest Respect and Thanks,

Patrick Jerrell
Indy Council President

Let us cherish the poor as our masters, since the Lord is in them and they in our Lord. — Vincent de Paul

SVdP Food Pantry

- An estimated 2,200 tons of food was distributed in 2009 from the food pantry.
- More than 3,000 families shop every week at the food pantry, benefiting nearly 10,500 people.
- We also deliver food to the homebound once a week, and distribute hot food on Saturday mornings to the inner-city homeless.
- If the number of volunteer hours given to SVdP a year were paid at the current minimum-wage rate, our "payroll" would have been more than \$500,000.
- Having no payroll expenses means that nearly 93 cents of every donated dollar will go to directly serve the needs of our clients. The remaining 7 cents goes to administrative costs and fund-raising expenditures.
- Our Distribution Center serves about 150 families every Saturday morning. The demand for appliances, cookware, mattresses and box springs exceeds our supply by the biggest margin, forcing us to purchase these items on the new and used markets.

What a great consolation it is to have the opportunity to prove the love you bear for God by the service that you render to the poor.

— Louise de Marillac

SPEAKERS BUREAU IS NOW AVAILABLE

Members of the SVdP Speakers Bureau are now available to give a presentation on the Society's work at service clubs and churches, and to men's, women's, and youth groups, as well as brown-bag lunches at your place of business. To book a speaker, call 317-923-6775 or email john@shermanandcompany.net. We are seeking to reach out to persons of all faiths throughout the greater Indianapolis area in the hope of attracting more volunteers and donations, both cash and in-kind, while we tell the story of our all-volunteer organization.

Donor List — January 1, 2009, through December 31, 2009

We believe this list to be correct and have done our best to include everyone. If your name or business is missing, please let us know! The list includes donors from our capital campaign and the annual fund, as well as many anonymous donors. Our donor list was compiled using our rudimentary computer program and lots of visual review. If your name is misspelled or your contribution is incorrect, please let us know.

SOCIETY OF ST. VINCENT DE PAUL, ARCHDIOCESAN COUNCIL OF INDIANAPOLIS, INC. – SPECIAL WORKS

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2009 AND 2008

1. NATURE OF ACTIVITIES

The Society of St. Vincent de Paul, Archdiocesan Council of Indianapolis, Inc. – Special Works (“SVdP”), is a not-for-profit organization located in Indianapolis, Indiana whose mission is to provide basic needs to people and families in need without discrimination. SVdP has no paid employees and its operations are supported completely by volunteers. All supporting donations come directly from individuals, private businesses, and public institutions. The distribution center provides free distribution of furniture, appliances and clothing and long term loaning of sickroom equipment. The client choice food pantry provides free food to the needy regardless of race, religion, or gender. Foodstuffs are procured from Gleaners Food Bank, the USDA, private donors and bulk purchases from vendors.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

SVdP prepares its financial statements on the modified cash basis of accounting. Under that basis, contributions and other revenues are recognized when received rather than when promised or earned, and expenses are generally recognized when paid rather than when the obligation is incurred. Fixed assets are capitalized and depreciated. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America primarily because SVdP has not recognized pledges receivable from donors, accounts payable to vendors, and their related effects on the change in net assets. In addition, SVdP does not recognize the value of donated property, goods and services.

Basis of Presentation

The financial statements presented herein include the operations of the distribution center, food pantry, E.A.S.Y. Food Program, and development and administrative departments. These activities constitute the “Special Works” division of SVdP. These financial statements do not include the “Council” division of SVdP, which acts as the central umbrella for the organization, collects dues from members, and pays for annual convention and national meeting expenses. These financial statements also do not include the balances and activities of the Society of St. Vincent de Paul Conferences which are groups throughout the geographic region that serve the needy locally.

SOCIETY OF ST. VINCENT DE PAUL, ARCHDIOCESAN COUNCIL OF INDIANAPOLIS, INC. – SPECIAL WORKS

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2009 AND 2008

Net assets, support, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of SVdP are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed restrictions. SVdP maintains two unrestricted funds as follows:

Operating - includes all programs and administrative functions of SVdP.

Board designated - includes all funds not available for general operations without the prior approval of the Board of Directors.

Temporarily restricted net assets – Net assets subject to donor-imposed restrictions relating to a stipulated purpose or a specified period of time. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Support, Revenues, and Expenses as net assets released from restrictions.

Cash Equivalents

SVdP considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents, but excludes cash equivalents held by fund managers and included in investments. Cash equivalents are carried at cost, which approximates market value, and consist of money market investments.

Certificates of Deposit

SVdP holds certificates of deposit at September 30, 2009 with interest rates ranging from 1.40% to 3.90% and maturing between October 2009 and May 2010. SVdP held certificates of deposit at September 30, 2008 with interest rates ranging from 3.45% to 4.60% and maturity dates between October 2008 and August 2009. Interest is recognized when received.

Investments

SVdP records its investments at fair market value. Changes in unrealized appreciation or depreciation of investments are reflected in the Statement of Support, Revenues, and Expenses in the period in which such changes occur.

SOCIETY OF ST. VINCENT DE PAUL, ARCHDIOCESAN COUNCIL OF INDIANAPOLIS, INC. – SPECIAL WORKS

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2009 AND 2008

Gift Certificate Inventory

Gift certificate inventory is stated at cost determined on the specific identification method.

Property and Equipment

SVdP capitalizes all significant purchases of property and equipment at cost. The value of donated property is not recognized in the financial statements. Costs of ordinary maintenance and repairs are expensed as incurred. Depreciation is computed on the straight-line method over the estimated useful lives of the assets, which range from 3 to 30 years.

Support and Revenue Recognition

Contributions are recognized as support in the period the cash is received. Support that is restricted by the donor is reported as an increase in temporarily restricted net assets. Support that is not restricted by the donor is reported as an increase in unrestricted net assets.

Contributions that must be used to acquire property and equipment are reported as temporarily restricted support. Absent donor stipulations regarding how long those assets must be maintained, SVdP reports expirations of donor restrictions as the acquired assets are purchased. SVdP reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Income Tax Status

SVdP is exempt from federal and state income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code and related state laws and is not considered to be a private foundation. Prior to October 1, 2008, SVdP was not required to file Form 990.

The Financial Accounting Standards Board ("FASB") has issued a new pronouncement, which clarifies accounting principles generally accepted in the United States of America for recognition, measurement, presentation and disclosure relating to uncertain tax positions and it applies to business enterprises, including not-for-profit entities. As permitted, SVdP has elected to defer the application of this pronouncement until issuance of its September 30, 2010 financial statements. For financial statements covering periods prior to fiscal year 2010, SVdP evaluates uncertain tax positions in accordance with the modified cash basis of accounting as described previously herein and makes such accruals and disclosures as might be required thereunder. The adoption of this pronouncement is not expected to have a significant impact on SVdP's financial statements.

SOCIETY OF ST. VINCENT DE PAUL, ARCHDIOCESAN COUNCIL OF INDIANAPOLIS, INC. – SPECIAL WORKS

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2009 AND 2008

Estimates

The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of support, revenues and expenses during the reporting period. Actual results could differ from these estimates.

Subsequent Events

SVdP evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through December 21, 2009, which is the date the financial statements were available to be issued.

Reclassifications

A reclassification has been made in the September 30, 2008 Statement of Assets, Liabilities, and Net Assets to conform to the classification used at September 30, 2009.

3. INVESTMENTS

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification provides a comprehensive framework for measuring fair value and expands required disclosures concerning fair value measurements. Specifically, the standard sets forth a definition of fair value and establishes a hierarchy prioritizing the inputs to valuation techniques, giving the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable value inputs. Effective October 1, 2008, SVdP adopted this FASB standard and its adoption did not have a significant impact on the SVdP's financial statements.

The standard defines levels within the hierarchy of inputs as follows:

- Level 1 – Unadjusted quoted prices for identical assets and liabilities in active markets.
 - Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets (other than those included in Level 1) which are observable for the asset or liability, either directly or indirectly.
-

SOCIETY OF ST. VINCENT DE PAUL, ARCHDIOCESAN COUNCIL OF INDIANAPOLIS, INC. – SPECIAL WORKS

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2009 AND 2008

- Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All of SVdP's investments at September 30, 2009 are considered to be Level 1 investments within the fair value hierarchy.

Investments consist of the following at September 30:

	<u>2009</u>	<u>2008</u>

7. RISKS AND UNCERTAINTIES

SVdP's investments (Note 3) are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying financial statements.
