Facts and Circumstances Test
Winona Health Foundation fails to meet the public support test for the years ended September 30, 2003 through September 30, 2008. However, based on the following facts and circumstances, the organization should continue to be recognized as a publicly supported organization under Internal Revenue Code Section 509(A)(1) Ten-Percent of Support. The total amount of public support for the organization during the above mentioned period is 30.99%. Therefore, the total public support is greater than the required 10% Attraction of Public Support. The organization does not receive more than 33 1/3% of its support from government units or from contributions from the general public due to the fact that it has received some substantial donations from local corporations. The organization uses several methods to attract support from the general public. Some of these methods include an annual fundraising event, advertising for memorials at annual community events, community-wide direct mailings, personal visits during patient stays at affiliated healthcare facilities, and online solicitations via the organization's website. Sources of Support. Winona Health Foundation does not receive support from a single family, rather it receives support from members of the general public. The organization received a portion of its support from individuals in the community. The number of unique donors who have made contributions to the organization each fiscal year are as follows: FY2009 1,967; FY2008 2,151; FY2007 2,112; FY2006 2,019; FY2005 2,155; FY2004 2,474; FY2004-2008 4,810. Representative Governing Body. Winona Health Foundation is served by a governing body that represents the interest of the public, it does not represent the interests of the donors of Winona Health Foundation. These representatives ensure that the organization meets the needs of the healthcare community. Based on the above facts and circumstances, Winona Health Foundation should continue to be considered as publicly supported under Internal Revenue Code Section 509(A)(1).
