Identifier	Return Reference	Explanation
PROGRAM SERVICES	PART III, LINE 4A	Palmetto Health is central South Carolina's largest and most comprehensive not-for-profit health system In our progressive environment, the latest technology and treatment protocols go hand-in-hand with quality patient care Palmetto Health is a South Carolina nonprofit public benefit corporation recognized as an IRC section 501(c) (3) charity, which consists of the outstanding hospitals - Palmetto Health Richland and Palmetto Health Baptist, Children's Hospital and Palmetto Health Heart Hospital in Columbia as well as Palmetto Health Baptist Easley Hospital in Easley, SC Palmetto Health is a JCAHO-accredited institution with 1,247 licensed beds, more than 9,000 employees and 1,300 physicians Being the largest private employer in the Midlands and the third largest in SC is an important economic development driver for our region, but also having the best employees is a recognition for which the system is very proud For the last two years, Palmetto Health was named one of the Top 100 Places to Work in Healthcare, after a survey of US healthcare organizations by Modern Healthcare magazine The SC Chamber of Commerce named Palmetto Health one of the top 20 places to work in SC last year Four years in a row, Palmetto Health has been named one of the top 35 places in the country to work in Information Technology by ComputerWorld magazine In keeping with Palmetto Health's vision to be remembered by each patient as providing the care and compassion we want for our families and ourselves, the system focuses on putting patients at the center of all we do Each year, our hospitals treat nearly a half million patients, welcome more than 6,700 babies into the world, treat more than 80,000 pediatric patients and 3,000 cancer patients, accommodate more than 149,000 emergency department visits, perform more than 50,000 mammograms, and make more than 32,000 home care visits We proudly offer services that are available nowhere else in the region Among those are the largest private behavioral health services, the only Level I trauma center in the region, the only two Level III neonatal intensive care units in the region, providing the highest level of care for premature infants, pediatric intensive care unit, children's emergency room, robotic assisted surgery, gamma knife and many others Many of our programs and services have been uniquely accredited for excellence, such as the state's first accredited chest pain center and only accredited breast centers by the American College of Surgeons' National Accreditation Program Blue Cross has designated centers for cardiac care and total joint replacement for their Blue Distinction designation Palmetto Health provides health care for nearly 70 percent of the residents of Richland County and almost 55 percent of the health care for the combined Richland/Lexington County area Patients are rendered services without distinction due to race, religion, color, national origin, ancestry, sex, gender, age, veteran's status and disability Palmetto Health provides the local community with more low or no cost services than any other health provider We do this under local ownership, local management and local accountability Our goal is to provide the best for our community, in the best equipped facilities in the state, while working with others to achieve our mission Palmetto Health has pledged 10 percent of its annual bottom line to fund community health care initiatives in cancer education and prevention, and maternal and child health services and many others In the last decade, Palmetto Health has spent $27 million in this special effort alone This tithe is a contribution over and above the care provided in our hospitals for services to patients in need During 2008, Palmetto Health conducted a community benefits assessment of free services provided by our system to the communities we served during the previous year A total of $176 million in services, provided in 2008, were documented in the statewide survey conducted through the auspices of the SC Hospital Association The total included $69 million in care to patients who were unable to pay, as well as $32 million associated with Medicare and Medicaid programs Palmetto Health is proud to have focused on quality and patient safety improvement initiatives and set about creating the structure, culture and accountability to achieve it These efforts allowed our hospitals to achieve significant progress in decreasing mortality (recognized by Dr Don Berwick at the December 2009 meeting of the Institute for Healthcare Improvement) and increasing the performance in appropriate care measures for nationally benchmarked standards of care for six high-volume procedures This ambitious and concerted quality goal of eliminating all preventable errors and deaths remains a focus of all at Palmetto Health In addition, Palmetto Health is expanding its attention into reducing "harm events" such as infections, falls and the like, and to reducing unnecessary readmissions In addition to the healthcare outreach efforts in which Palmetto Health engages, the system accepts a key role in community support through investment by its employees in the United Way and by participation and investment in community agencies such as the Heart Association, March of Dimes, American Cancer Society, and a myriad of other health and human services organizations With key leaders taking significant leadership roles in organizations like the Chambers of Commerce, City Center Partnership, Central Carolina Economic Development Alliance and a host of others, Palmetto Health is making its presence known and is essential in the community
