SchI_P01_S00_L02	Schedule I, Part I, Line 2	These funds are awarded from the Oil Spill Recovery Institute (OSRI), an institute within the Prince William Sound Science Center. An annual work plan is developed and then approved by the Board of Directors. OSRI funds are given directly by the USCG Dept of Treasury to the PWSSC, who has the fiduciary responsibility for these funds. These funds are passed through the USGS Dept of Treasury and are treated as federal for reporting purposes. These awards include grants and service contracts included in the work plan. Proposals are accepted through the advertised Request for Proposal (RFP) process or by a request for a proposal to a specific entity to meet the work plan needs. These proposals are then sent to our Science & Technical Committee for a peer review and approval. If approved they then go to the Board Chair (appt by NOAA) who approves. Then the Grants are awarded or amended if from prior years. Deliverables, financials and reporting expectations are including in the award documentation. Because these funds are treated as federal they are required to meet the reporting requirements for sub-recipients that are stated in A-133.
