The RBC Foundation - USA

RBC Wealth Management provides most of its community funding through the RBC Foundation - USA, with Foundation grants in excess of \$3.1 million in 2008.

Mission

The Foundation's mission is to improve the quality of life in the communities where we do business by supporting non-profit organizations that make a positive difference. The Foundation gives special consideration to organizations in which our employees are involved. For maximum impact, we direct our giving to three focus areas:

- Arts & Culture
- Human Services
- Youth Education

Focus Areas

Arts & Culture

The arts reflect our culture and enrich the quality of life in the communities where our employees and clients live. The Foundation's emphasis is on:

- Preeminent arts and culture institutions;
- Arts programs that generate an appreciation of diverse cultures; and
- Programs that foster young people's appreciation of the arts.

We do not fund the following areas:

- Audio or video recording projects;
- Literary or media arts;
- Individual artists; or
- Artist enrichment programs.

Human Services

Because our business depends on economic and community growth, we support human services programs that:

- Foster economic independence;

Statement 2

- Promote self-sufficiency; and
- Strengthen families.

We do not fund the following areas:

- Medical, health, and mental health services;
- Disease-specific and disease-related requests;
- Hospitals, nursing homes, and hospice care;
- Senior citizen programs; or
- Childcare or daycare programs or facilities.

Youth Education

Education is critical because it prepares young people for the future. Our Foundation grants focus on:

- Effective K-12 education programs that promote a diverse student population;
- Effective K-12 education programs that benefit economically disadvantaged students; and
- Programs that help young people understand our country's economic system.

We do not fund the following areas:

- Educational requests that do not serve K-12 students;
- Recreational or athletic programs; or
- Programs serving only special needs students.

The Foundation cannot fund:

- Sponsorships (please click this link for information on corporate sponsorships);
- Fundraising events (e.g. dinners, benefits, or sporting events);
- Athletic teams, events, or scholarships;
- Direct grants to individuals, including scholarships, travel and related expenses;
- Religious, political, fraternal, or veterans organizations;
- Academic, medical, or scientific research;
- Non-501(c)(3) organizations.

If your organization falls into one of the above focus areas, and would like to apply for a grant from the RBC Foundation - USA, please continue to our eligibility questionnaire.
