**STATEMENT - To Part IX-A (Page 7), Line 1 (Page 1 of 2)**

**59-7214278**

The William E. and Mary E. Moeller Charitable Trust (the Moeller Trust) is sponsoring an educational program for incarcerated juveniles – (the Program). The objective of the Program is to provide incarcerated youth (juveniles) with experienced speakers, who are ex-offenders who have served their time in prisons, and want to give back to society. The main focus of this education-through-experience program is to improve the incarcerated youths' future through the Moeller Trust Program. Initially a presentation to the entire population is given, encouraging questions and answers. Next, our goal is to have the opportunity to facilitate smaller group interaction.

Because of the high rate of recidivism with incarcerated youth, this Program is offering a *different* inside approach to enlighten them. This intervention process is unlike the standard approach of classroom teachers, counselors or therapists who cannot offer the experience of a life sentence in prison. Our guest speakers have gone down the same path these youth have. The Moeller Trust's educational Program stresses that if the juveniles do not make better **Choices NOW**, they may return to incarceration, and most likely at a higher lock down facility.

By offering our education-through-experience method, the youth receive an opportunity to learn from someone who has experienced prison life first hand. Each speaker has served more than 25 years in prison. What is unique about this program is that these presenters use the “we” approach versus the “you” approach to facilitate and share, rather than teach and analyze. They can identify with similar thinking and behavioral habits that each of the youth may possess.

Some of our prison topics include:

- having someone tell you what to wear, eat or drink;
- watching you dress, shower, use the toilet;
- sleeping with someone next to you who may have AIDS;
- having someone cough on you who may have TB;
- or watching someone get stabbed while in prison.

Our program stresses the need to:

- make better **Choices**;
- take opportunities that are given to you now to learn and better yourself;
- and stop pleasing your friends.

The Moeller Trust education Program director is Nelson Kowalczyk. Nelson served 26 years and 10 days in prison. He shares a powerful, enlightening presentation that captivates everyone. Nelson has written and facilitated a similar program to hundreds of prisoners while incarcerated. The Moeller Trust education Program enlightens the incarcerated youth by using the “we” approach vs. the “you” approach, that allows the youth to identify their personality traits and the thinking process used to commit criminal and irresponsible acts – called “Automatic Criminal Thinking Errors.”

The Moeller Trust education Program is patterned after the works and teachings of Dr. Stanton E. Samenow. Dr. Samenow is a nationally recognized clinical psychologist, researcher, author, educator and lecturer in the field of criminal behavior. The Moeller Trust education Program has an agreement with Dr. Samenow authorizing the use of his works. In addition, the agreement calls for support (if needed) by Dr. Samenow.
