Part X	Description of Uncertain Tax Positions Under FIN 48	Uncertain tax provisions The Organization adopted the uncertainty in income taxes guidance as described in FASB ASC 740-10-50-15 on January 1, 2009. The adoption of that guidance resulted in no change to financial statements of prior periods. As of December 31, 2009, management believes that based on evaluation of the Organizations tax positions that any additional liability as a result of uncertain tax positions would not be material. Management continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings to assist in evaluating the Organizations tax positions. Accrued interest and penalties associated with uncertain tax positions, if any, would be recognized as part of the income tax provision. Income tax returns are filed in the U S federal jurisdiction, and state jurisdictions. U S federal and state income tax returns since inception are subject to audit.
