About the Hesed Foundation

The Hesed Foundation is dedicated to the improvement and enhancement of human life and the strengthening of communities. Hesed seeks to achieve these goals by supporting programs that enhance the lives and welfare of all people, particularly those in underrepresented populations and communities.. Specifically we fund programs relating to youth and education, health, and community building. In addition we reserve a percentage of our annual giving for discretionary projects of interest to the board.

The Hesed foundation does not fund individuals or political organizations. The best way to get an idea of our funding priorities is to examine our past recipients. Grants ranged from \$1,000 to \$10,000 in 2003; the average grant was \$3,500. We reserve the right to partially fund proposals.
