Life in Abundance International is serving Africa's poorest communities in a new way. Our approach is wholistic, participatory and works to identify assets already in the community, rather than relying on assets from the outside in perpetuity. LIA staff provide focused wholistic development training, program management, and technical support to transform these communities through the local churches. We equip the local churches to go beyond traditional teaching and preaching ministries in an effort to meet the practical needs of their neighbors, effectively, for long term sustainable community transformation.
