Form 990 Part VIII Section Revenue Line 6a Rentals include rental income from restaurant property that was previously used for ministry purposes. This income and related expenses are also reflected on Form 990-T filed for the year 2009. Several years ago, church property in Meridian, MS was donated to the ministry. This property was also rented to a church during the year and it is anticipated that the local congregation in MS will attempt to purchase the property in the coming year. The rentals from the church property is not considered non-related income.

Form 990 Part I Section Fund Balance Line 22 During the year, the ministry underwrote net costs and expenses related to the closing of Beacon University (58-2108533). During the "teach-out" period of the University, the underwriting of any and all net costs and expenses were required by accreditation institutions. A detail letter outlining in detail everything related to the above was written to the Exempt Organizations Division of the IRS in Cincinnati on November 3, 2009. As of December 31, 2009, only a few assets and liabilities remain that are directly attributable to the University. The resultant net cost absorbed by the ministry and reflected in Fund Balance approximates \$112,300.
