Part X	Description of Uncertain Tax Positions Under FIN 48	Effective January 1, 2009, the provisions of U.S. generally accepted accounting principles require that a tax position be recognized or derecognized based upon a more likely than not threshold. This applies to tax positions taken or expected to be taken in the tax returns of all entities included in the Company's consolidated group. The Company regularly assesses the potential settlement outcomes resulting from income tax examinations. The implementation of these provisions has no impact on the Company's financial statements as the Company believes that its financial statements include any uncertain tax positions. All tax years prior to 2006 are closed as a result of the passing of the Statute of Limitations. No notices have been received from either the Internal Revenue Service or Commonwealth of Massachusetts addressing any subsequent year.
